## **PLAZA HOME MORTGAGE ANNOUNCES EIGHTH ANNUAL INITIATIVE WITH SUSAN G. KOMEN® SAN DIEGO**

*—Lender's Donation Based on October Loan Production—*

**SAN DIEGO, Calif., – October 24, 2019** – Plaza Home Mortgage, Inc., one of the nation's leading wholesale and correspondent mortgage lenders, today announced its eighth annual donation program to support Susan G. Komen® San Diego. For the month of October, Breast Cancer Awareness month, Plaza will make a donation based on a percentage of its total loan production for October.

Over the past seven years, Plaza has become one of the leading corporate sponsors of Komen San Diego, contributing more than \$500,000. According to Komen San Diego, this equates to:

- \$200,000+ in financial assistance to patients' needs during treatment
- 1,100 free mammograms
- 320 biopsies to diagnose breast cancer early

Plaza's contributions have helped thousands of women get access to screenings and diagnostic tests that are key to diagnosing, treating and defeating breast cancer. When discovered early and combined with effective treatment, the most common type of breast cancer has nearly a 99% survival rate. This year, Plaza's support will be designated to helping breast cancer patients and their families who need financial assistance to cover their living expenses, such as rent or mortgage payments, while they are going through treatment.

"It is an honor to work once again with Komen San Diego and to continue to give back to our San Diego community," said Mike Fontaine, Chief Operating Officer and Chief Financial Officer at Plaza Home Mortgage. "We are pleased to be able to help this important organization further its mission of investing in lifesaving, breakthrough research to prevent and cure breast cancer, as well as providing financial support for patients going through treatment."

Susan G. Komen is the largest nonprofit funder of breast cancer research outside of the U.S. government and much of that investment has been awarded to scientists in San Diego.
