Product Parameters	
<b>Appraisal</b>	<p>All appraisals must be ordered and processed in compliance with Appraiser Independence Requirements (AIR).</p> <p><b>Number of Appraisals:</b> Loan amounts &gt; \$2,000,000 require two full appraisals.</p> <p><b>Declining Markets:</b> Properties in a declining market, as indicated in the appraisal, require a 5% LTV reduction from the maximum otherwise allowed if the LTV &gt; 80%.</p> <p><b>Collateral Desktop Assessment:</b></p> <ul style="list-style-type: none"> <li>Appraisals with a CU or LCA score &gt; 2.5 require a "Collateral Desktop Analysis - Jumbo (CDA) Pre-Fund" analysis as described below.</li> <li>Appraisals/loans with a CU or LCA score &lt;= 2.5 do not require a CDA.</li> <li>When required, A "Collateral Desktop Analysis - Jumbo (CDA) Pre-Fund" will be ordered by Plaza.</li> <li>The CDA is required to support the value of the appraisal. If the CDA returns a value that is "Indeterminate" or if the CDA indicates a value lower than the appraised value by more than 10%, then a field review <i>or</i> 2nd full appraisal is required. The lower of the two values will be used as the appraised value of the property.</li> <li>If two (2) full appraisals are provided, a CDA is not required.</li> </ul> <p><b>Transferred Appraisals:</b> Allowed.</p>
<b>Underwriting Method</b>	Manual underwriting only
<b>Assets/Down Payment/Gifts</b>	Assets used for down payment, closing costs, debt payoff, and reserves must be documented. The asset documentation requirement for all transactions is a single account statement covering a one (1) month period and dated within 90-days of the loan note date.
<b>Bankruptcy / Foreclosure / NOD / Short Sale / Deed-in-Lieu</b>	Four years seasoning is required. Seasoning is measured to the new note date.
<b>Credit History</b>	<p><b>Trade Lines:</b></p> <p>If the primary borrower has three (3) credit scores, the minimum tradeline requirement is waived. When the primary borrower has less than three credit scores each borrower must meet the minimum tradeline requirement. Exception – if the co-borrower is the spouse of the borrower only one spouse is required to meet the minimum tradeline requirement. Tradeline requirement:</p> <ul style="list-style-type: none"> <li>At least three (3) tradelines reporting for a minimum of 12 months, with activity in the last 12 months, or</li> <li>At least two (2) tradelines reporting for a minimum of 24 months, with activity in the last 12 months.</li> </ul>

	<p>Borrowers who do not meet one of the above tradeline requirements, but have a minimum of two credit scores, can alternatively satisfy the tradeline requirement by meeting the below requirements:</p> <ul style="list-style-type: none"> <li>• No fewer than eight (8) tradelines are reporting, one (1) of which must be a mortgage or a rental history.</li> <li>• At least one (1) tradeline has been open and reporting for a minimum of twelve (12) months.</li> <li>• The borrower has an established credit history for at least eight (8) years.</li> <li>• Tradelines with recent serious adverse history are not acceptable.</li> <li>• Student loans can be counted in credit depth as long as they are in repayment and not being deferred.</li> </ul>
<p><b>Geographic Restrictions</b></p>	<p><b>Declining Markets:</b> Properties in a declining market, as indicated in the appraisal, require a 5% LTV reduction from the maximum otherwise allowed if the LTV &gt; 80%.</p> <p><b>Additional Program specific geographic restrictions are identified below:</b></p> <ul style="list-style-type: none"> <li>• <b>Hawaii:</b> Properties in Lava Flow Zones 1 or 2 are not allowed.</li> <li>• <b>New York:</b> Loans meeting the definition of NY Subprime are not eligible.</li> <li>• <b>Texas:</b> Texas Section 50(a)(6) restrictions apply.</li> </ul>
<p><b>Income &amp; Employment</b></p>	<p>The information in this section applies to all income documentation options unless stated otherwise in the specific documentation sections that follow:</p> <ul style="list-style-type: none"> <li>• A minimum two (2) year employment history is required to be documented on the loan application (1003).</li> <li>• Self-employed borrowers' business must be in existence for a minimum of two (2) years.</li> <li>• In exception cases, when the borrower has less than a two-year history of employment, documented positive factors must exist to offset the shorter employment history, such as education or training. Exceptions will be considered case-by-case.</li> <li>• Any gaps in employment that span one or more months must be explained.</li> <li>• All income sources must be legal in accordance with all applicable federal, state, and local laws, rules and regulations, without conflict.</li> </ul> <p><b>Standard Doc:</b></p> <ul style="list-style-type: none"> <li>• 24 Month Standard Doc: Salary/wage, self-employed and other income sources</li> <li>• 12 Month Standard Doc: Salary/wage, self-employed and other income sources</li> <li>• <b>4506-C/Tax Transcripts:</b> A signed IRS Form 4506-C is required in every standard documentation credit file. See specific income documentation to determine if transcripts are required.</li> <li>• <b>Taxpayer Consent Form:</b> Must be signed by all borrowers. Plaza's loan documents include a taxpayer consent form.</li> </ul> <p><b>Alt Doc:</b> Alt Doc includes the following documentation types:</p> <ul style="list-style-type: none"> <li>• Bank Statements</li> <li>• 1099: 2 Years 1099s or 1 Year 1099</li> <li>• Asset Utilization</li> <li>• Income documented using Alt Doc may be combined with other income sources that are documented as Standard Doc. When Alt Doc is combined with Standard Doc, the loan must meet the Alt Doc eligibility matrices and will be placed as Alt Doc.</li> </ul> <p><b>Bank Statement Income Documentation:</b></p> <ul style="list-style-type: none"> <li>• 12 or 24 month personal bank statements</li> <li>• 12 or 24 month business bank statements</li> </ul> <p>Refer to Program Guidelines for complete income and employment requirements.</p>
<p><b>Bank Statement Income</b></p>	<p><b>Eligible Borrowers/Employment:</b> Bank Statement Income documentation is available for self-employed borrowers only.</p> <p><b>Ineligible Sources of Income for Bank Statement Documentation:</b></p> <ul style="list-style-type: none"> <li>• Primary source of income from residential 1-4 unit real estate investment (rental income) is not eligible for bank statement documentation.</li> <li>• Income earned buying and selling properties (flipping houses) is not eligible for bank statement documentation.</li> <li>• Passive or portfolio income sources are not eligible (distributions from limited partnerships, day trading, etc.) for bank statement documentation.</li> <li>• Funds/Deposits in an IOLTA (Trust) are ineligible sources of income for bank statement documentation.</li> <li>• Not-For-Profit entities are ineligible sources of income.</li> </ul>

**Combining Documentation Types:** Income documented using bank statements may be combined with other income sources that are documented as Standard Doc but not associated with self-employment.

- When wage income is combined with bank statement income documentation, a tax return is not required for the full income documentation, as this would invalidate the bank statements. The 4506-C form is still required; however, Box 8 should be checked to obtain a transcript of W-2 earnings only.
- When bank statement documentation is combined with standard documentation the loan must meet the bank statement eligibility matrices and will be priced as bank statement documentation.

**Tax Returns/4506-C/Tax Transcripts:**

Tax returns, 4506-C and transcripts are not required for bank statement documentation. If tax returns and/or transcript are provided, the loan will be ineligible for the bank statement program.

**Personal Bank Statements:**

- Most recent 24 or 12 months of PERSONAL bank statements.
- Most recent 2 months of BUSINESS bank statements.
  - They must evidence activity to support business operations.
  - They must reflect transfers to the personal account.
- Verify that the borrower owns 20% of the business by providing one of the following:
  - CPA letter, Tax Preparer letter, operating agreement, or equivalent, reflecting the borrower's ownership percentage.
- The borrower's business being used to source the income must be in existence for a minimum of 2 years as evidenced by one of the following:
  - CPA or tax preparer letter, or
  - Business License, or
  - Business bank statement from 24 or more months prior to note date reflecting activity, or
  - Other reasonable evidence of business activity.
- If the borrower does not have a separate business bank account and cannot provide 2 months of business bank statements, the personal bank statements will be reviewed using business bank statement guidelines. In this situation the personal bank statements are considered co-mingled personal and business accounts and business bank statement analysis applies:
  - An expense factor must be applied using one of the business bank statement analysis method.
  - Verify the borrower is 100% owner of the business (borrower and spouse with combined 100% ownership is eligible)
- If the borrower has a personal account and a business account and co-mingles business deposits into both accounts, only deposits into the business account may be used.

**Personal Bank Statement Income Calculation:**

- Only transfers or deposits from the business account(s) are eligible deposits, except
  - ATM deposits may be included if a consistent pattern of such deposits is present.
- Any inconsistent or large deposits not justified must be backed out of the calculation.
- Net income is the lower of:
  - for the 24-month statement option, the net income from the analysis using all 24 months of bank statements, or
  - for both the 24 or 12 month statement option, the net income based upon the most recent 12 months of bank statements
  - Income cannot exceed the income disclosed on the initial 1003.
- The most recent bank statement must be consistent with the qualifying income.

**Business Bank Statements:**

- Verify that the borrower is at least 25% owner of the business by providing one of the following:
  - CPA letter, Tax Preparer letter, operating agreement, or equivalent 3<sup>rd</sup> party documentation reflecting the borrower's ownership percentage.
- The business used to source the income must be in existence for a minimum of two years as evidenced by:
  - CPA or tax preparer letter, or
  - Business License, or
  - Business bank statement from 24 or more months prior to note date reflecting activity, or
  - Other reasonable evidence of business activity.

- Income from the analysis of the bank statements must be multiplied by the borrower's ownership percentage to determine the borrower's net income.
- The expense analysis method should be reasonable for the type of business being reviewed.

**Business Bank Statement Analysis:**

Two options exist to analyze business accounts. Regardless of the option utilized, expenses must be reasonable for the type of business. The following applies regardless of the expense method used:

- Expenses must be reasonable for the type of business.
- Deposits should be reviewed for consistency.
- Deposits from alternative payment processing applications (i.e., Square, Venmo) are eligible.
- Inconsistent or large deposits should be sourced or excluded from the analysis. The definition of a large deposit is any deposit exceeding 50% of the average monthly sales of the business.
- Changes in deposit patterns must be explained.
- Income documented separately or not from the business must be backed out of deposits.

- **Option 1 - Business Expense Statement Letter**

- 24 or 12 months of business bank statements covering the most recent time-period and;
- An expense statement (**example letter**) specifying business expenses (minimum expense ratio is 10%) as a percent of the gross annual sales/revenue, prepared and signed by either a CPA/accountant, IRS Enrolled Agent or tax preparer; and
- Credit file must contain documentation showing evidence of the preparer's business.
- **Determining Income Using Business Expense Statement Letter:**
  - Net Income is determined by the total deposits from the bank statements, minus any inconsistent deposits, less total expenses, multiplied by ownership percentage, divided by the number of bank statements reviewed. Total expenses are calculated by multiplying the total deposits by the expense factor provided by a CPA/accountant, IRS Enrolled Agent, or tax preparer (subject to a minimum total expense percentage of 10%).
  - Qualifying income is the lower of:
    - for the 24-month statement option, the net income from the analysis using all 24 months of bank statements, or
    - for both the 24 or 12 month statement option, the net income based upon the most recent 12 months of bank statements.
    - Income cannot exceed the income disclosed on the initial 1003.
  - The most recent bank statement must be consistent with the qualifying income.
  - Expenses must be reasonable for the type of business.

- Plaza reserves the right, at the reviewer's discretion, to require additional documentation if the expense ratio appears unreasonable for any business entity.

- **Option 2 - Fixed Expense Ratio 50%**

- Not eligible for businesses that experience higher expense ratios. Borrowers with businesses in the industries listed below may be eligible for a 50% expense ratio but will require additional documentation or explanation to support the business is not a high expense business.
  - Construction / Builder (single employee tradesman/handyman are eligible)
  - Manufacturing
  - Retail and Wholesale Trade
  - Hospitality, Food and Beverage Services
  - Transportation
- 24 or 12 months of business bank statements covering the most recent time-period.
- A business narrative provided by the borrower (See **Self-Employed Business Narrative Form**) which includes details regarding the industry, size, and operating profile of the business, addressing location/rent, number of employees/contractors, COGS, and physical assets such as trucks/equipment (owned or leased).
- The **Self-Employed Business Narrative Form** should be used to determine if the borrower's business is eligible for this option based on reasonableness of expenses.

## Transactions

### Purchase:

- Proceeds from the transaction are used to finance the acquisition of the subject property.
- LTV/CLTV is based upon the lesser of the sales price or appraised value.
- Assignment of contract or finder's fees reflected on the purchase contract are not eligible to be included in the sales contract price or associated with the LTV/CLTV calculation.

### Rate & Term Refinance: Proceeds from the transaction are used to:

- Pay off an existing first mortgage loan and any subordinate loan used to acquire the property.
- Pay off any subordinate loan not used in the acquisition of the subject property, provided one of the following apply:
  - Closed-end loan, at least 12 months of seasoning has occurred.
  - HELOC, at least 12 months of seasoning has occurred, and total draws over the past 12 months are less than \$2,000.
- Buy out a co-owner pursuant to an agreement.
- Pay off an installment land contract executed more than 12 months from the loan application date.

### Other Rate/Term Considerations:

- Refinance of a previous loan that provided cash out, and is seasoned less than 12 months as measured from the previous note date to the new note date, will be considered a cash out refinance.
- Cash back not to exceed the lesser of 2% of the new loan amount or \$5,000.
- The transaction must be treated as cash-out when the subject property is encumbered by one of the following:
  - Blanket/Cross-Collateralized loan, or
  - Loan that allows for Paid in Kind (PIK) interest. A copy of the note must be provided to determine required payment terms. Notes allowing interest to accumulate during the term of the loan are eligible.
- Properties listed for sale in the past six (6) months are ineligible. If the property has been listed for sale in the previous 12 months, the LTV will be based on the lesser of the lowest list price or appraised value.
- LTV/CLTV:
  - If the subject property was acquired greater than six (6) months from the new note date, the appraised value will be used to determine LTV/CLTV.
  - If the property was acquired less than or equal to six (6) months from the new note date, the lesser of the current appraisal value or previous purchase price plus documented improvements (if any) will be used to determine LTV/CLTV. The purchase settlement statement and any invoices for materials/labor will be required.
  - If the property has been listed for sale in the previous 12 months, the LTV will be based on the lesser of the lowest list price or appraised value.
- Title must be in the borrower's name at time of application and on the closing date except that title may be in an LLC at time of application if the borrower(s) is a majority owner (i.e. more than 50%), and the property must be deeded to the borrower individually at closing. Loans may not close with title held in the name of the LLC. The other owners of the LLC must acknowledge the transfer of ownership to our borrower(s).

### Cash-Out Refinance: A refinance that does not meet the definition of a rate/term transaction is considered cash-out.

- A letter explaining the use of loan proceeds is required for all transactions.
- A mortgage secured by a property currently owned free and clear is considered cash-out.
- The payoff of delinquent real estate taxes (60 days or more past due) is considered cash-out.
- For all investment property transactions, any loan proceeds used to pay off personal debt creates a consumer transaction, and the loan is subject to ATR and TRID. This includes any past draws, regardless of timing, on a HELOC secured by the subject property.
- Loans not eligible for cash-out:
  - Properties listed for sale in the past six (6) months. If the property has been listed for sale in the previous 12 months, the LTV will be based on the lesser of the lowest list price or appraised value.
  - There has been a prior cash-out within the past six (6) months.
  - There is a closed-end second seasoned less than six (6) months or there is a HELOC with any draws in the last six (6) months.
  - Land Contract/Contract for Deed.

- Cash-Out seasoning is defined as the time difference between the note date of the new loan and the property acquisition date.
  - Borrower ownership seasoning of six (6) months is required for a transaction to be eligible for cash-out.
  - Cash-out seasoning of six (6) months or less is only allowed when it is documented that the borrower acquired the property through an inheritance, or was legally awarded the property through divorce, separation, or dissolution of a domestic partnership.
  - If the property was owned prior to closing by a limited liability corporation (LLC) that is majority-owned or controlled by the borrower(s), the time it was held by the LLC may be counted towards meeting the borrower's six-month ownership requirement.
  - If the property was owned prior to closing by an inter vivos revocable trust, the time held by the trust may be counted towards meeting the borrower's six-month ownership requirement if the borrower is the primary beneficiary of the trust.
- Title must be in the borrower's name at time of application and on the closing date except that title may be in an LLC at time of application if the borrower(s) is a majority owner (i.e. more than 50%), and the property must be deeded to the borrower individually at closing. Loans may not close with title held in the name of the LLC. The other owners of the LLC must acknowledge the transfer of ownership to our borrower(s).
- LTV/CLTV:
  - If the subject property was acquired greater than six (6) months from the new note date, the appraised value will be used to determine LTV/CLTV.
  - If the property was acquired less than or equal to six (6) months from the new note date, the lesser of the current appraisal value or previous purchase price plus documented improvements (if any) will be used to determine LTV/CLTV. The purchase settlement statement and any invoices for materials/labor will be required.
  - If the property has been listed for sale in the previous 12 months, the LTV will be based on the lesser of the lowest list price or appraised value.

**Delayed Purchase Refinance:** Delayed purchase financing is eligible when a property was purchased by a borrower for cash within 180 days of the loan application.

- The original purchase transaction was an arms-length transaction.
- The source of funds for the purchase transaction are documented (such as bank statements, personal loan documents, or a HELOC on another property).
- The maximum LTV/CLTV ratio for the transaction is based upon the lower of the current appraised value or the property's purchase price plus documented improvements.
- The preliminary title search or report must confirm that there are no existing liens on the subject property
- The transaction is considered cash-out, cash-out Loan/LTV/CLTV limits and price adjustments apply.
- Cash back to the borrower in excess of documented funds used to purchase the property is not allowed.

**Conversion of Construction-to-Permanent Financing:**

The conversion of construction-to-permanent financing involves the granting of a long-term mortgage to a Borrower for the purpose of replacing interim construction financing that the Borrower has obtained to fund the construction of a new residence. The Borrower must hold title to the lot, which may have been previously acquired or purchased as part of the transaction.

- For lots owned  $\geq 12$  months from the new note date for subject transaction, LTV, CLTV, HCLTV is based on the current appraised value.
- For lots owned  $< 12$  months from the new note date for subject transaction, LTV, CLTV, HCLTV is based on the lesser of the current appraised value of the property or the total acquisition costs (sum of documented construction costs and documented purchase price of lot).

**Texas Section 50(a)(6):**

- 1-unit primary residence
- 30-year fixed rate only
- Maximum LTV/CLTV of 80%
- Points and Fees are limited to 2%
- Regardless if the new loan is a rate/term or cash-out refinance, any loan classified under Texas law as a Texas 50(a)(6), must follow the cash-out eligibility matrix and be locked as a cash-out refinance.
