Section 1 Contract

Plaza Home Mortgage, Inc.'s (Plaza) Correspondent Seller Guide ("Seller Guide"), along with the Correspondent Loan Purchase Agreement (the "Agreement") governs the business relationship between Plaza and the correspondent lender ("Seller"). This Seller Guide sets forth the terms and conditions for selling loans to Plaza. Loans sold to Plaza must conform to all requirements of the Agreement, program guidelines, underwriting guidelines and this Seller Guide (together, the "Program Documents").

1.1 Seller Contractual Obligations

By signing the Agreement, Seller is bound by the requirements of the Program Documents. The Program Documents, subject to modification by Plaza at its sole discretion, govern the sale of loans by Seller to Plaza.

Plaza maintains a contractual relationship with each Seller with which it does business. Failure of a Seller to perform obligations under the Program Documents constitutes a default and permits Plaza to disqualify such Seller as an approved seller and permits Plaza to terminate its relationship with that entity.

Communications Regarding Legal Issues and Plaza Policies

From time to time, Plaza will alert its Sellers to important legal requirements related to the origination of mortgage loans. However, Seller should not rely upon Plaza to inform them of the legal requirements applicable to the origination of mortgage loans. Instead, as described in the **Eligibility section**, the **Representation, Warranties, and Covenants section**, and other sections of this Guide, Seller must ensure that it is aware of, understands and implements all applicable federal, state and local laws.

Plaza may also inform Sellers of its specific policies regarding certain laws, and may provide the above-described information regarding legal requirements or policies in this Seller Guide. Alternatively, Plaza may provide the information through other means, including bulletins, communications, or compliance alerts, by whatever name or other communications. Regardless of the method of communication, Seller must comply with such policies.

1.2 Rules of Interpretation

Defined Terms: General Rules of Interpretation

Defined terms may be used in the singular or plural, as the context requires. Unless the context in which it is used otherwise clearly requires, the word "or" has the inclusive meaning represented by the phrase "and/or". The words "include", "includes" and "including" are deemed to be followed by the phrase "without limitation".

Headings for Convenience

All captions or paragraph headings in the Program Documents are for convenience only and in no way define, limit or describe the scope or intent of any provision in the Program Documents.

Plaza's Sole Discretion

Whenever any provision of the Program Documents require or allow Plaza to act in its discretion or to make a determination of fact or a decision to act, or to permit, approve, or deny another party's action, such determination or decision shall be made at Plaza's sole discretion.

Plaza's Sole Opinion

Whenever any provision of the Program Documents require or allow Plaza to make a determination of its opinion, such determination shall be made at Plaza's sole opinion.

This document is confidential, proprietary and its subject matter is the sole property of Plaza Home Mortgage, Inc. and is intended for its use only. Any unauthorized use, dissemination, or distribution of this document or its subject matter is strictly prohibited. Terms and conditions of programs and guidelines are subject to change at any time without notice. This is not a commitment to lend. Plaza Home Mortgage, Inc. is an Equal Housing Lender. © 2022 Plaza Home Mortgage, Inc. Plaza Home Mortgage and the Plaza Home Mortgage logo are registered trademarks of Plaza Home Mortgage, Inc. Updates and Amendments

Plaza will update this Seller Guide from time to time to reflect changes in Plaza's requirements and developments in Plaza's Correspondent Lending Program. Each update will amend the Seller Guide. Plaza will provide updates by means of a notice to Seller, as further described in the "Notice" section of this Seller Guide. The notice will explain the update and specify the effective date of the change. When the Seller makes a commitment to Plaza after being provided with a notice of an amendment, the Seller will be deemed to have agreed to the amendment.

Seller Guide Online

This Seller Guide, including all updates, is available to Sellers at:

<http://www.Plazahomemortgage.com/CorrespondentLending/>. In the event of any conflict between a hard copy of this Seller Guide and the online version of this Seller Guide, the online version will control.

1.3 Relationship of Parties Under This Seller Guide

Nothing in this Seller Guide, any related marketing or other materials creates or may be construed as permitting or obligating Plaza to act as a financial or business advisor or consultant to Seller, as permitting or obligating Plaza to control Seller or to conduct Seller's operations, as creating any fiduciary duty of the part of Plaza to Seller, or as creating any joint venture, agency, partnership or other relationship between Plaza and Seller. Seller acknowledges that it has had the opportunity to obtain the advice of experienced counsel of its own choosing in connection with the negotiation and execution of the Agreement as well as review of this Seller Guide. Seller further acknowledges that it is experienced with respect to the transactions contemplated by this Seller Guide and made its own independent decisions with respect to the Program Documents and any related transactions.

1.4 Power of Attorney

Seller hereby constitutes Plaza as attorney-in-fact for Seller, and in Seller's name and stead to endorse promissory notes from Seller to Plaza, the collection and prompt and timely posting of all payments to the appropriate Mortgage Loan account, and execute assignments from Seller to Plaza of mortgages, deeds of trust, deeds to secure debt and other security instruments securing said promissory notes for any mortgage loan sold by Seller to Plaza, granting unto Plaza full power and authority to do and perform each of the actions set out above as fully as Seller itself could or might do. Seller may only revoke this power of attorney in writing and only upon the expiration of 3 years from the effective date of the Agreement termination in accordance with the Agreement terms, and this power of attorney is a power coupled with an interest for such purposes.

1.5 Seller's Responsibility

Seller is responsible for the performance of requirements and obligations contained in this Seller Guide, even if the requirement or obligation is performed by a third party.

1.6 Discretionary Relationship

The relationship between Plaza and Seller is a discretionary relationship. Seller is under no obligation to sell Loans to Plaza and Plaza is under no obligation to buy Loans from Seller unless Seller and Plaza have entered into a separate binding commitment to sell and purchase specific Loans.

1.7 Confidentiality

As a result of its relationship with Plaza and access to the Program Documents, Seller will learn or have access to various trade secrets, confidential and proprietary methods, techniques, processes, applications, approaches, products, programs, policies, practices and procedures in various forms, which information is used or is useful in the conduct of Plaza's business, including Plaza's origination, purchase, sale and servicing of mortgage products (all such information is collectively referred to as "Confidential Information"). Seller acknowledges that such Confidential Information is the exclusive property of Plaza.

Seller shall (1) protect such Confidential Information at least with the same degree of care that it uses to protect its confidential information, and (2) not, at any time, regardless of if, when, and how its relationship with Plaza may terminate, directly or indirectly, disclose, publish, reveal, disseminate, or otherwise make available to anyone such Confidential Information, except to the extent required by applicable law. If Confidential Information required to be disclosed by Seller having authority to regulate or oversee any aspect of the Seller's business, Seller shall (a) formally request that such information be treated in confidence and (b) (i) provide Plaza with written notice of the required disclosure promptly upon receipt of notice of the required disclosure, to the extent such notice is permitted by law, (ii) disclose only that portion of the Confidential Information that is legally required to be furnished, and (iii) coordinate with Plaza in an effort to limit the nature and scope of such required disclosure.

1.8 Terms of Use and Electronic Services

Overview and Incorporation of Terms of Use

Plaza may require all Sellers who wish to use any of the electronic services, forms and/or materials to obtain a user ID and password for each of the Seller's individual users. Additionally, Plaza may require Sellers to obtain an administrator user ID and issue user IDs and passwords to each of the Seller's individual users. Plaza may make the forms, materials and/or one or more of the electronic services available through those user IDs, depending on the requests and needs of the Seller. From time to time, Plaza may also make forms, materials and certain electronic services available via selected third party providers. A Plaza user ID and password may or may not be required to access Plaza's forms, materials and electronic services through these third parties, but the third party provider may require Sellers to obtain and use user IDs and passwords and to agree to terms and conditions of use.

General Terms and Conditions of Use

Authorized Users

Seller may appoint authorized users to use the electronic services. Seller shall only appoint persons to be authorized users where it has been determined that the person: (i) has a need to access the electronic services for the purposes set forth in this Seller Guide, and (ii) will be capable of complying with the applicable obligations set forth in this Seller Guide. Seller and its authorized users shall use the services strictly in compliance with this Seller Guide and with any user documentation and security guidelines that Plaza may provide, either through the site or through other means. Seller shall be responsible for the acts or omissions of its authorized users using the products.

User Names/Passwords

Seller agrees that it is solely responsible for properly using and maintaining the security and confidentiality of any user name and/or password issued to Seller pursuant to this Seller Guide and any related agreement. Seller agrees not to permit unauthorized individuals to use any such user ID and/or password to access Plaza's PULSE. Seller's authorized users may not share their user ID and/or password with anyone else or use any user ID for group purposes. Seller agrees to immediately notify Plaza of any unauthorized use of any user ID or password or of any other breach of security. Seller agrees to ensure that Seller and Seller's authorized users will logoff from the site at the end of each session. Seller warrants that Seller will deactivate the user ID and password for each user who later is not an authorized user or in the event his or her employment role changes such that the user's access to the products is unnecessary or inappropriate. Seller shall be responsible for the acts or omissions of any user accessing the products through any user name and/or password issued to the Seller or its authorized users even if such user is not a valid authorized user. Seller acknowledges

and agrees that Plaza shall have no obligation, other than confirming use of the correct password for a user ID, to identify, confirm or otherwise authenticate the authority of the end user using such user name even if Plaza assists in the issuance of such user IDs.

Restrictions

Subject to the terms of this Seller Guide, Seller and Seller's authorized users may use, access, download and print the materials and forms and use and access the site and services for the purpose for which it is intended. Except as otherwise expressly permitted, Seller and Seller's authorized users may not modify, copy, distribute or create derivative works from the forms. Seller agrees that Seller shall implement and use, at Seller's own cost, whatever policies and data backup technologies and procedures Seller deems necessary for Seller's longer-term data storage needs.

Termination

Either party may terminate this Systems Agreement or the Seller's authorized users' right to use the system at any time with or without cause. Seller may terminate its and its authorized users' right to use the system by giving notice of such to Plaza, and such termination shall be effective at such time as Plaza receives the notice. Plaza may terminate Seller's and Seller's authorized users' right to use the system at any time by giving notice of such to Seller, and such termination shall be effective at such time as Seller receives the notice, unless an alternative termination date is specified within such notice.

In the event Seller breaches any term or obligation within any of the Program Documents, Seller shall be deemed to have received such notice of termination at the same time as the breach.

As of the effective time of termination, of Seller and Seller's authorized users' right to use the terminated system, Plaza will disable Seller and Seller's authorized users' access to the terminated system which Plaza shall attempt to do with reasonable promptness. Seller and Seller's authorized users agree not to use or access terminated systems even if Seller and Seller's authorized users access to the terminated systems has not yet been disabled. All of Seller and Seller's authorized users obligations arising out of use of terminated systems which proceeded the effective time of termination shall survive termination.

The Seller shall allow Plaza, or its agent or designee, upon five (5) business days' notice, to inspect all books and records of the Seller pertaining to its mortgage operations and to any Loans purchased by Plaza from the Seller, and the Seller shall, upon Plaza's reasonable request, or as provided for in the remedies provisions of this Seller Guide, allow Plaza to take possession of all files and other material relating to Loans purchased by Plaza.

5.14 No Defenses

Seller has no judgment, court order, claim, counterclaim, and defense, right of set-off or similar right against Plaza. Furthermore, for each loan sold by Seller to Plaza, Seller represents and warrants that there exists no condition or conditions which either individually or in the aggregate could give rise to a right of rescission, set-off, counter-claims or defenses to the Note or Deed of Trust/Mortgage securing the note.

5.15 Sale

On loans closed in Seller's name and sold to Plaza, Seller will treat the sale of the loans to Plaza as a sale of assets, and reflect it as such on its financial statements, tax returns and business records.

5.16 MERS (Mortgage Electronic Registration Service)

Seller should close loans in MERS's name, with Seller named as Lender, and Seller puts its own MIN on the Security Instrument.

Section 6 Representations/Warranties by Seller Regarding Individual Loans

Seller hereby makes the following representations, warranties, and covenants, and all other representations, warranties, and covenants found elsewhere in this Seller Guide to Plaza as to each loan closed in Seller's name and sold to Plaza.

6.1 Mortgage Loans as Described

No document, report, data or material furnished to Plaza relating to any Loan (including, without limitation, the Mortgagor's Loan application executed by the Mortgagor) in any Loan File, whether delivered in hard copy, electronically or otherwise, contains any untrue statement of fact or omits to state a fact necessary to make the statements contained in the Loan File not misleading.

6.2 Payments Current

The Mortgagor has made and the Seller has credited all payments required to be made under the terms of the Note. No payment required under the Loan is delinquent nor has any payment under the Loan been delinquent at any time since the origination of the Loan. For the purposes of this paragraph, a Loan will be deemed to be delinquent if the Mortgagor did not pay any payment due within 30 days of such payment's due date OR the month such payment was due.

6.3 Loan Payments

The Seller has not made, directly or indirectly, any payment on the Loan or on any other Loan of the Mortgagor from any other person or entity; the Seller has also not made any agreement with any Mortgagor providing for any variation of the Mortgage Interest Rate, the schedule of payment or other Loan terms and conditions.

6.4 No Outstanding Charges

The Mortgagor has not defaulted under the Loan terms, and has paid any and all taxes, including, without limitation, any and all transfer taxes due and payable to any state or municipality relating to the Mortgaged Property's transfer of ownership and occupancy interest. The Mortgagor has paid all governmental assessments, insurance premiums, water, sewer and municipal charges, leasehold payments and ground rents and other charges that previously became due and owing or will become due and owing within sixty (60) days of the Funding Date, or the Mortgagor has established an escrow account sufficient to pay such charges.

6.5 No Advances

Except as the Seller has disclosed clearly and conspicuously in writing to Plaza, and Plaza has approved in writing to the Seller:

(i) the Seller has not advanced funds, or induced, solicited, or knowingly received any advance of funds by a party other than the Mortgagor, directly or indirectly, for the payment of any amount required under the Loan unless pursuant to an Agency eligible program or, except for interest accruing from the date of the Note or the Loan proceeds disbursement date, whichever is later, to the day that precedes by 1 month the due date of the first installment of principal and interest; and (ii) the Mortgagor has, in compliance with the applicable Underwriting Guidelines, made any down payment required in connection with the Loan, and has received no concession from the Seller, the Mortgaged Property Seller, or any other third party, unless pursuant to an Agency eligible program.

6.6 The Full Disbursement of Proceeds

The full principal amount of the Loan proceeds have been advanced to Borrower, either by payment directly to such Borrower or by payment made on such Borrower's request or approval and there is no requirement for future advances in the Loan documents. The unpaid balance of the Loan is as represented by the Seller. All costs, fees, and expenses incurred in making or closing the Loan and recording the Mortgage were paid, and the Mortgagor is not entitled to any refund of any amounts paid or due under the Note or the Mortgage.

6.7 Original Terms / No Release

No person or entity has impaired, waived, altered, or modified in any respect, except by a written instrument that Plaza has approved, the original Note and Mortgage terms. Any related MI Policy issuer and the title insurer have approved the substance of any Note and Mortgage term waiver, alteration, or modification, to the extent required by the respective policies. No Mortgagor has been released, in whole or in part.

6.8 Acceptable Investment

There is no circumstance or condition with respect to the Mortgage, the Mortgaged Property, the Mortgagor, or the Mortgagor's credit standing, that can reasonably be expected to cause investors to regard the Loan as an unacceptable investment, cause the Loan to become Delinquent or adversely effect the Loan's value or marketability.

6.9 Loan Status

No person or entity has satisfied, canceled, subordinated, or rescinded, in whole or in part the Mortgaged Property and no person or entity has released, in whole or in part, the Mortgage Property from the Mortgage lien, nor executed any instrument that would *affect any* such release, cancellation, subordination, or rescission. There is no assumption, loss draft or payoff pending on the Loan nor has the Seller received a request for approval of, or notice of any proposed assumption, loss draft or payoff of the Loan.

6.10 Ownership of Loans

The Seller is the sole owner and holder of the Loan. Except for the security interest of a Warehouse Lender, which security interest the Seller has disclosed in writing to Plaza, the Loan is not assigned or pledged. The Seller has good and marketable title to the Loan, and has full right to transfer and sell the Loan to Plaza free and clear of any encumbrance, equity, participation interest, lien, pledge, charge, claim, security interest, right, option, assignment, or servicing agreement with any third party whatsoever, except pursuant to the Program Documents and this Seller Guide, and the Seller has full right and authority (subject to no interest or participation of, or agreement with, any other party) to sell and assign each Loan pursuant to the Program Documents and this Seller Guide.

6.11 Origination, Underwriting and Servicing Compliance

The originating, closing and, prior to Plaza becoming responsible for the Loan servicing, the servicing of the Loan was in compliance with, and to the extent that it is within the Seller's control will continue to be in compliance with:

- The applicable Underwriting Guidelines in *effect* when the Loan was originated and processed **AND**
- All applicable laws, rules, regulations, decrees, pronouncements, directives, orders, and contractual requirements with respect to the origination, closing, underwriting, processing, and servicing of each Loan; **AND**
- Any and all other applicable federal, state, county, municipal, or other local laws, including, without limitation, those laws relating to truth-in-lending, real estate settlement procedures, consumer credit protection, usury limitations, fair housing, equal credit opportunity, collection practices, and real estate appraisals, and valuations.
- All applicable anti-money laundering laws and regulations, including but not limited to the Bank Secrecy Act and its subsequent revisions and enhancements, the Customer Identification Program requirements of the USA Patriot Act, Office of Foreign Assets Control requirements (collectively the "Anti-Money Laundering Laws"), and has established an anti-money laundering compliance program as required by the applicable Anti-Money Laundering Laws, and maintains, and will maintain, sufficient information to identify the applicable Mortgagor for purposes of the Anti-Money Laundering Laws.

6.12 LTV/MI Policy

Each Loan's LTV does not exceed the maximum LTV permitted by the applicable Underwriting Guidelines. All MI Policy provisions have been and are being complied with. Each MI Policy is written with a private mortgage insurance company acceptable to Plaza, is the binding obligation of such insurer, is in full force and effect, and has had all premiums due thereunder paid. The Seller has not engaged in any act or omission, and the Seller has no knowledge of any act or omission by or on the Mortgagor's behalf or any other person's or entity's behalf, which act or omission would impair any such MI Policy's coverage or validity, the benefit of the endorsement provided for in, or the validity or binding effect of either. Any loan subject to a MI Policy obligates the Mortgagor under the MI Policy to maintain such MI Policy to the extent required by law and to pay all required premiums and charges. The loan interest rate is net of any such insurance premiums.

6.13 Title Insurance

The Seller is the sole insured under the Title Policy. The Title Policy is in full force and effect, will be in full force and effect upon the consummation of the transactions contemplated in the loan Purchase Agreement and in this Seller Guide, and is in conformance with applicable Agency requirements. No claims have been made under such Title Policy, the accuracy of any attorney's opinion of title has not been disputed, and no prior Loan holder, including the Seller, has done, by act or omission, anything that would impair the coverage of such Title Policy or the accuracy of such attorney's opinion of title. The attorney's opinion of title, if permitted by Plaza or required by state law, is in a form and substance acceptable to investors purchasing loans and mortgage lending institutions making loans in reliance upon such attorney's opinions of title.

6.14 Closing Protection Letters

The Seller obtains insured closing protection letters (CPL) for all closings. Insured closing letters offer financial protection in the form of a claim to the title insurer in the event loan proceeds, or borrower funds collected at closing, are misappropriated and not disbursed according to the closing instructions. The letter references the borrower's name, property address, and loan number of the transaction.

In the States of New York, Iowa and Washington Errors & Omissions (E&O) Insurance and the Fidelity Bond is provided in lieu of the CPL. The E&O policy should include a per incident claim amount that is at least as high as the amount of the loan and the total E&O coverage should be at least \$1,000,000.

On loans where the Loan Program allows for a limited title policy title search or its equivalent a CPL is not required.

6.15 Valid First Liens Secured by Real Property

The Mortgage is a valid, existing, and enforceable first lien on the Mortgaged Property; on all buildings on the Mortgaged Property; on all installations and mechanical, electrical, plumbing, heating, and air conditioning systems located in or affixed to such buildings; and on all additions, alterations, and replacements made at any time with respect to the foregoing. Any mortgaged property that has any existing or simultaneous lien that takes priority over the first mortgage is not eligible for purchase. This includes but is not limited to liens that utilize the municipal tax assessment process or a utility company to ensure payment. The Mortgage lien is subject only to:

- Current real property taxes and assessment liens not yet due and payable.
- Covenants, conditions, restrictions, rights of way, easements, and other matters of public record which as of the date of the lien's recording are or were acceptable to mortgage lending institutions generally, are specifically referred to in the Title Policy or, as permitted by Plaza and applicable state law, an attorney's opinion of title, delivered to the Loan originator, and: (a) were referred to or otherwise considered in the appraisal made for the Loan originator or (b) do not adversely affect the Mortgage Property's appraised value set forth in such appraisal; **OR**
- Other matters to which like properties are commonly subject, which other matters do not materially interfere with the benefits of the security intended to be provided by the Mortgage, or the use, enjoyment, value, or marketability of the related Mortgaged Property.

6.16 No Mechanic's Liens

Unless fully covered by a Title Policy acceptable to Plaza, there is no mechanic's or similar lien or claim filed for work, labor, or material (and no rights are outstanding that under applicable law could give rise to such a lien or claim), affecting the related Mortgaged Property, which is or may be a lien prior to, or equal with, the related Mortgage's lien.

6.17 Mortgaged Property Undamaged; No Condemnation

The Mortgaged Property is undamaged by waste, fire, earthquake or earth movement, windstorm, flood, tornado, or other casualty so as to affect adversely the Mortgaged Property's value as security for the Loan or the use for which the premises were intended. The Mortgaged Property is in good repair. There are no condemnation proceedings by any federal, state, or local authority pending or, to the best of the Seller's knowledge, threatened against the Mortgaged.

6.18 No Other Hazards

To the best of the Seller's knowledge, the Mortgaged Property is not exposed to Environmental Hazards which are not covered by fire and extended coverage insurance or other available insurance. Environmental Hazards refer to any natural or man-made characteristics that are present in, or affect, the Mortgaged Property or neighborhood, including but not limited to, hazardous wastes, toxic substances, radon gas, asbestos-containing materials, urea-formaldehyde insulation, sulfur-containing drywall (also known as Chinese drywall), except as the Seller has specifically and fully remediated and such remediation has been inspected by a professional qualified to verify that the Environmental Hazard has been satisfactorily corrected, prior to Plaza purchasing the loan.

6.19 No Additional Collateral

The Note is not and has not been secured by any collateral except the corresponding Mortgage lien and the security interest of any applicable security agreement or chattel mortgage, the existence of which the Seller previously disclosed to Plaza and Plaza approved in writing.

6.20 Improvements Locations; No Encroachments

All improvements the underwriter considered in determining the Mortgaged Property's appraised value at the origination lie wholly within the Mortgaged Property's boundaries and building restriction lines and no improvements on adjoining properties encroach upon the Mortgaged Property (except those encroachments which the title insurer has affirmatively insured over). No improvement located on or being part of the Mortgaged Property is in violation of any applicable zoning law or regulation. All Mortgaged Property improvements, including new construction, have been completed in full compliance with any applicable laws, regulations or building codes and standards, and the improvements comply with the laws, regulations, or building codes and standards as of the Funding Date.

6.21 No Redemption

The Mortgaged Premises are not subject to a redemption period by a previous owner under applicable state law.

6.22 Hazard Insurance

All improvements upon the Mortgaged Premises are insured by a qualified insurer against loss by fire and other hazards as required by this Seller Guide, with extended coverage and such other coverage as would be required by each of the GSEs for their purchase of the same loan.

Refer to the **General Hazard Insurance Requirements** section of this Seller Guide for more detailed information.

6.23 Flood Insurance

To the extent required by the Flood Disaster Protection Act of 1973 and the 1994 National Flood Insurance Reform Act, each as amended, and their implementing regulations, the Mortgaged Premises is covered by a flood insurance policy

With respect to escrow deposits and escrow payments, if any, required pursuant to the loan documents, all such payments are in the possession of, or under the control of, Seller and there exist no deficiencies in connection therewith for which customary arrangements for repayment thereof have not been made. No escrow deposits or escrow payments or other charges or payments due to Seller by the borrower have been capitalized under the Security Instrument or the related Note.

6.25 Appraiser Independence Requirements

Each appraisal conducted in connection with single-family loans, must be obtained in compliance with the Appraiser Independence Requirements (AIR) and the Equal Credit Opportunity Act (ECOA).

Each appraisal or valuation conducted in connection with a Loan complies with applicable federal and state law, and applicable Agency requirements; and with respect to any appraisal requirements imposed by or pursuant to the Financial Institutions Reform, Recovery and Enforcement Act of 1989 ("FIRREA"), as amended from time to time, the related Loan is eligible for purchase by a financial institution subject to FIRREA, and, in the case of Conforming Balance Loan sizes, by the Agencies. - Is either a licensed or certified residential appraiser or a certified general appraiser, by the state, as required for the particular appraisal.

- Was not assigned the appraisal by the same person responsible for the sole approval authority for granting the loan request, **AND**
- Demonstrates sufficient experience and education in the appraisal of properties similar to the subject property.

6.26 Location and Type of Mortgaged Property

The Mortgaged Property is located in the state identified in the Loan File and, unless otherwise provided for in the Program Documents, this Seller Guide or any applicable Underwriting Guidelines, consists of a single parcel of real property with a single family residence erected thereon, or a 2-4 unit family dwelling, or an individual unit in a planned unit development, condominium project, or cooperative. No portion of the Mortgaged Property is used for commercial purposes in such a manner that knowledgeable and sophisticated investors active in the residential secondary mortgage market would consider the Mortgaged Property commercial, rather than residential property.

6.40 FHA and VA Guidelines

Each FHA or VA Loan sold to Plaza meets all requirements and guidelines in effect for such Loan as prescribed by FHA or VA, as applicable, and Plaza, at the time of Plaza's purchase. The Seller further warrants that each such insurable or guaranteeable Loan is eligible for inclusion in a Ginnie Mae pool.

FHA Mortgage Loans/FHA Direct Endorsement (DE) Approval Required - Should the Seller desire to commit FHA Mortgage Loans for sale to Plaza, the Seller represents and warrants that it was at the time of Mortgage Loan origination, is presently, and will continue to be an FHA-approved lender in good standing, possessing full Direct Endorsement (DE) approval and authority under the FHA Direct Endorsement Program.

With respect to each FHA or VA loan sold by the Seller to Plaza the Selling Lender hereby certifies that:

- Neither the Selling Lender, any lender in the chain of title prior to the Selling Lender, nor any affiliate will solicit the borrower(s) to refinance the loan.
- The Selling Lender, any lender in the chain of title prior to the Selling Lender, and any of their affiliates have not agreed to and will not agree to a planned refinance. A planned refinance is a refinance of the loan at an interest rate which is less than the immediately preceding interest rate by less than the basis point decline in the market rate since the origination or last refinance transaction.
- The borrower(s) have been or will promptly be informed by the Selling Lender, or any lender in the chain of title prior to the Selling Lender, that the lender, or any of their affiliates, that the Lender will not subsequently solicit the borrower to execute a refinance transaction unless mortgage market rates decline and the borrower(s) are offered an interest rate which is less than the contract rate on the borrower(s) current loan by at least the basis point decline in the market rate since the origination or last refinance transaction. The borrower(s) have been or will promptly be informed by the Selling Lender, or any lender in the chain of title prior to the Selling Lender, that the lender, or any of their affiliates, will not subsequently solicit the borrower to execute a refinance transaction unless mortgage market rates decline and the borrower(s) are offered an interest rate which is less than the contract rate on the borrower(s) current loan by at least the basis point decline in the market rate since the origination or last refinance transaction.

6.41 Guaranteed Rural Housing (GRH) Loans

- Plaza GRH Loan policies as set forth in this Seller Guide, **AND**
- National USDA GRH Loan Guidelines as published in the GRH Instruction 3555 and accompanying notices and announcements, **AND**
- Applicable local USDA Rural Development Office policies
- In the event of a conflict between these requirements, the policy that has been applied as controlling is the policy appearing earliest in numerical order herein.

6.42 Error or Fraud

Neither the Mortgagor nor any other person or entity involved in the Loan transaction or in its underwriting or documentation (including without limitation, any appraiser, broker, third-party originator, credit reporting agency, or other provider of underwriting information) has made any false representation and/or has failed to provide information that is true, complete and accurate in connection with such transaction whether or not the Seller was a party to or had knowledge of such misrepresentation or incorrect information, and no error, omission, misrepresentation, negligence, fraud or similar occurrence with respect to the Loan has taken place on the part of the Seller or any other party involved in the Loan's origination or in the application of any insurance in relation to such Loan.

Plaza, its investors and Sellers can experience substantial losses if either fraud or misrepresentation occurs on a loan. Fraud can occur with any type of loan. A common definition of fraud is an act of intentional misrepresentation, concealment or omission of the truth for the purpose of deception or manipulation with the intent of securing something by taking unfair advantage of another. Plaza has a Zero Tolerance Policy on matters relating to fraud or misrepresentation.

6.43 Fair Lending / Equal Credit Opportunity Act

To the best of Seller's knowledge, Seller and its third party originators have treated all Borrowers in a fair and consistent manner. All borrowers have received the same level of assistance, on whether to apply for credit, how to best qualify for credit, how to resolve any issues relating to creditworthiness and other aspects in the credit extension process. Seller has complied with all provisions of the Equal Credit Opportunity Act and the Fair Housing Act.

6.44 Fair Pricing Policy

All mortgage loans comply with Plaza's Fair Pricing Policy. All mortgage loans have passed a High Cost Mortgage Test, whether or not they are covered by high cost mortgage regulation, HOEPA (section 226.32 of Regulation Z), or any state or local high cost, covered or predatory lending law or ordinance. This includes owner-occupied refinances, non-owner occupied refinances and purchase money transactions. Interest rates and other pricing terms reasonably reflect the costs and risks of originating the mortgage loan. All mortgage loans comport to Seller's established policies with respect to maximum points and charges, overages, yield spread premiums or other compensation vehicles, and established limits on total broker and lender compensation.

6.45 HOEPA/Section 32 Loans

The Home Ownership and Equity Protection Act (HOEPA) became law in 1994. This law addresses certain deceptive and unfair practices in home equity lending. It amends the Truth-in-Lending Act (TILA) and establishes requirements for certain loans with high-rates and/or high fees. The rules for these loans are contained in Section 32 of Regulation Z, which implements the TILA; therefore, these loans are often referred to as "Section 32 Mortgages". The purpose of this law is to protect consumers in high cost mortgages from predatory lending activities whereby creditors engage in a pattern or practice of lending based on the collateral value of a property without regard to the consumers ability to repay the loan. It also prevents deceptive and unfair practices in home equity lending.

Loans that are covered by the HOEPA are ineligible for purchase by Plaza.

Sellers should refer to Regulation Z and the HOEPA and their legal counsel for further information and interpretation.

6.46 Higher Priced and High Cost Loans

A loan considered a "high-cost," "covered," "high-risk," "predatory" or any other similar designation under any state or local law in effect at the time of the closing of the loan if the law imposes greater restrictions or additional legal liability for residential mortgage loans with high interest rates, points and/or fees.

Seller represents and warrants that:

- Each loan delivered to Plaza is not a "high cost", "covered", "high-risk", or predatory loan as designated under any state, or local law.
 - It has in place policies and procedures based on the requirements of each state and federal regulations to identify high cost loans to ensure that it does not inadvertently deliver an ineligible loan to Plaza. **AND**

- No person, with the intent to avoid the application or evade the provisions of one of the laws identified above, divided a loan transaction into separate parts (by creating a concurrent subordinate lien or other wise) or performed any other subterfuge.

State Higher-Priced Mortgage Loans (HPML)

Plaza will purchase State Higher-Priced Mortgage Loans referred to in some states as a non-prime, subprime, or rate spread home loan, provided that any state-imposed restrictions or requirements are met.

Exception: Plaza will not purchase a subprime home loan in the state of New York.

The following is applicable to Federal HPML loans:

An appraisal (the HPML Appraisal Rule) must be obtained on principal residences securing higher-priced loans.

Streamline refinances that are HPML are exempt from the appraisal requirement provided that:

- The creditor of the refinance and the new loan are the same (refinance by the same lender), OR
- The transaction is VA IRRRL or FHA streamline (even if with a new lender).

In addition there can be no cash out, negative amortization, interest only or a balloon payment.

6.47 Agency 5% Limit on Point and Fees

- The total “points and fees” charged to the borrower, may not exceed the greater of 5% of the loan amount or \$1,000.00, **AND/OR**
- The APR or points and fees may not exceed prescribed HOEPA thresholds.

Seller should consult with their legal counsel for further information and interpretation of Agency restrictions.

Any loan that fails to meet the Freddie Mac/Fannie Mae limitations on points and fees are ineligible for purchase by Plaza.

6.48 Responsible Lending; Benefit to Borrower

Seller agrees to use best efforts to ensure that each loan offered to a borrower is consistent with his or her needs, objectives and financial situation.

- Each Mortgage Loan, the proceeds of which have been used to refinance a previous mortgage loan, offers a documented, demonstrable, tangible net economic benefit to the borrower.
- Timely, sufficient and accurate information has been provided to borrowers concerning each Mortgage Loan's terms, costs, risks, and benefits including but not limited to disclosure of:
 - The existence of a prepayment penalty, if applicable, prior to closing
 - disclosure on products containing a prepayment penalty of the availability of similar products with no prepayment penalty, **AND**
 - on limited documentation products, disclosure of the availability of a lower interest rate in exchange for higher levels of documentation.

6.49 Ability to Repay and Qualified Mortgages, Residual Income Evaluation

At the time of consummation, based on verifiable documentation, the Loan is a Qualified Mortgage (QM) as defined under the ability to repay provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act, which amended the Truth-in-Lending Act (TILA), and the implementing regulations. A non-QM loan may be deemed acceptable provided it meets all components of the applicable Plaza Loan Program Guide.

If the loan is a QM that is subject to a rebuttable presumption of compliance as defined under TILA, the Seller warrants that the consumer has sufficient residual income to meet their monthly reoccurring expenses.

Points and Fees Limitation: Total points and fees may not exceed 3% of the total loan amount or such different amount in accordance with the qualified mortgage provisions of Regulation Z.

In order to comply with the High-Cost and ATR/QM Rules requirement and to accurately evaluate points and fees on all loans, Plaza will require that a complete itemization of all points and fees be provided in the closed loan package.

Bona Fide Discount Points

Plaza will allow exclusion of eligible bona fide discount points from the total points and fees as provided for in the Consumer Financial Protection Bureau (CFPB), ATR/QM and High-Cost rules.

Plaza will require evidence of the undiscounted rate ("Par rate"). Acceptable forms of evidence include a copy of the rate sheet, a screen print from LOS and/or Pricing Engine, lock agreement with the borrower or a lock confirmation.

6.50 Prohibited Terms and Practices

Seller and its third party originators have not engaged in any of the following practices with respect to loans purchased or to be purchased by Plaza:

- The Seller used no adverse selection process or procedures in selecting the Loans to be sold to Plaza.

- Financing, directly or indirectly, premiums or fees for single premium credit life, disability or unemployment insurance products, or any other accident, loss-of- income, life or health insurance, with the proceeds of the Mortgage Loan;
- Refinancing of a Special Subsidized Mortgage. A "Special Subsidized Mortgage" means a residential mortgage loan that is originated or subsidized by or through a state, local, or tribal government or nonprofit organization and that in some circumstances does not have to be completely repaid or requires only partial payments be made. Examples include, but are not limited to, a mortgage granted by organizations such as Habitat for Humanity or a local housing authority.

- Contracting for an increase in the interest rate upon default of the loan at a level not commensurate with risk mitigation.
- Seller may not engage in a practice of "steering" a mortgage applicant to a loan with a higher interest rate and/or fees designed for less creditworthy borrowers when the borrower could qualify for a less costly loan with similar characteristics.
- A borrower should be offered the best available loan for their credit and personal profile that the Seller offers.

A loan may not violate any of the following prohibited terms:

- Unless otherwise expressly provided for in the Program Documents or this Seller Guide, none of the documents evidencing or securing the Loan is a graduated payment Loan, and the Loan does not have a shared appreciation or other feature providing for contingent interest or contingent principal.

7.2 Early Payment Default Defined

On first lien loans closed in Seller's name and sold to Plaza, an Early Payment Default (EPD) occurs when (i) any of the first 4 payments due after purchase of the loan by Plaza becomes 90 or more days delinquent, (ii) if the loan involves a HUD repossession without an appraisal, any of the first 12 payments become 90 or more days delinquent, (iii) if the loan involves a VA Streamline Refinance (IRRRL) securing property located in California and the Seller does not provide a valuation of the property, any of the first 24 payments becomes 90 days or more delinquent.

With respect to any Second Lien Transaction, an Early Payment Default (EPD) occurs when any of the first 6 payments become 30 days delinquent.

For purposes of this policy, a loan is considered 30 days delinquent if the payment has not been received and applied by the end of the day immediately preceding the loan's next due date. Receipt of payments originally due prior to the date on which Plaza purchases the loan will not satisfy the EPD requirement.

7.3 Early Payment Default Fee

In lieu of Seller's obligation to repurchase resulting from an early payment default, Plaza, at its sole and absolute discretion, may allow Seller to (i) pay Plaza \$2500 for a government loan or \$1500 for a conventional loan, as reimbursement for administrative expenses, and (ii) return any premium over par paid to Plaza in reference to such loan as outlined in the **Correspondent Loan Purchase Agreement, CO-AG-001**.

Seller must pay the fees outlined above within 20 days of written notice from Plaza. Upon notice from Plaza, Seller must wire the required funds to the address set out in the demand.

7.4 Early Pay-Off

If a Loan prepays in full within 180 days following the purchase date by Plaza, Seller shall, within 20 days after receipt of notice from Plaza, reimburse Plaza as follows:

- If the loan pays off within 0 – 90 days following the purchase date, the fee will be the greater of premium over par or SRP per the SRP schedule, irrespective of whether such Mortgage Loan has been pooled or resold to investors.
- If the loan pays off between 91 – 180 days following the purchase date, the fee will be SRP only.

Second Lien Transactions: If a loan prepays in full within 365 days following the purchase date by Plaza, Seller shall, within 20 days after receipt of notice from Plaza, reimburse Plaza as follows:

- If loan pays off within 0-180 days following the purchase date, the fee will be the amount paid in excess of par, irrespective of whether such Mortgage Loan has been pooled or resold to investors.
- If loan pays off within 181-365 days of the purchase date, the fee will be 50% of the amount paid in excess of par, irrespective of whether such Mortgage Loan has been pooled or resold to investors.

All SRP recapture amounts are based on Plaza's SRP schedule. ARMs will use the Conventional 15-YR Fixed SRP schedule.

7.5 Repurchase

Plaza has the right to demand that Seller repurchase a loan (and its servicing, if the loan was sold on a servicing-released basis) if an Event of Default has occurred with respect to a specific loan or, on certain loans if an Early Payment Default has occurred with respect to a specific loan.

Plaza has the right to demand that the Seller repurchase a loan for any other failure to comply with the requirements of the Seller Guide including, but not limited to, Seller's Representations and Warranties with respect to fraud and misrepresentation and compliance with all laws.

If Seller discovers an Event of Default with respect to a loan, it must give Plaza prompt written notice describing the breach. Upon receipt of this notice, Plaza will review the materials and any additional information or documentation that Seller believes may influence Plaza's decision to require Seller to repurchase the loan.

If Plaza demands that Seller repurchase a loan, Seller agrees to repurchase the loan and its servicing if the loan was sold servicing released for the repurchase price within 20 days of receiving Plaza's written demand.

If Plaza determines in its discretion that repurchase of a loan and its servicing is not appropriate, Seller must pay Plaza all losses, costs and expenses, including reasonable attorney's fees and enforcement costs, incurred by Plaza and the loan's servicer as a result of the Event of Default.

Plaza is not required to demand repurchase within any particular time, and may elect not to require immediate repurchase. However, any delay in making a repurchase demand does not constitute a waiver by Plaza of any of its rights or remedies.

Upon Seller's satisfaction of its repurchase obligations, Plaza will endorse the Note in blank and will deliver the Note and other pertinent loan documents that are in Plaza's possession to Seller. If Plaza has acquired title to any of the real property securing the loan pursuant to a foreclosure sale and has not disposed of such property, it will transfer such property to Seller on a "quit claim" basis, or if required by state law, a "warranty deed" basis.

7.5.1 Certified Loan Program

The Certified Loan Program applies to each Loan sold to Plaza by Seller that is covered by an insurer pre-approved by Plaza in which said insurer has verified on a loan-by-loan basis that the Loan is qualified to be subject to the Program. If the loan has been "Certified", the claim for which Plaza is seeking payment from the Program is valid and Seller is not otherwise in material breach of the Agreement, Plaza agrees that it will first seek payment for losses from the insurer prior to seeking to enforce Seller's repurchase obligations as set forth in Section 7 of the Agreement.

However, if the defect in the Loan giving rise to the claim is the result of a breach of the Agreement by Seller, Seller agrees that it will indemnify Plaza of any deductibles, self-insured retention costs, reasonable attorney's fees or any other reasonable costs borne by Plaza. Further, should the aggregate of payments from the claim fail to make Plaza whole for any reason, Seller agrees to indemnify Plaza for the difference between how much Plaza was paid under the claim and Plaza's make-whole amount up to \$10,000.00 per occurrence. In addition, should Plaza seek payment under the program due to a claim which would otherwise amount to a breach of the Agreement by Seller, Seller agrees to return any amount over par received by Seller upon the initial sale of the Loan to Plaza.

Certification does not cover Loss or Claims arising from, or related to the inability to have a Loan insured for any reason not tied to the initial review of the Loan, the determination of a cooperative project's eligibility within a Mortgage Purchaser's Underwriting Guidelines, Missing Condo/PUD endorsements on final title policy, Master Insurance (HOA) policy for attached PUD, use of MLS or non-appraiser original comparable photos, failure to provide final clear property inspection report indicating all post-closing improvements have been completed as required, any issues tied to an existing HELOC loan not properly closed out as instructed, anything impacting the intended lien position on title or sufficient coverage for the title insurance policy or any underwriting or compliance defect directly related to a carve out for a condition that lacked the proper documentation to clear it. Plaza's One Time Close program will have a full credit and limited compliance certification coverage. The limited compliance review will be tied to re-running ComplianceEase (or equivalent tool) and review of Fannie Mae Forms 3179, 3735 and 3737. The following exclusions apply: Loss of Employment, Death, Disability, Divorce and Fraud by Mortgage Company Ownership. Non-agency loans receive a full compliance certification and no credit coverage under the program. Reverse loans are not included in the program. *CARES Act Update: Loans in forbearance and government loans that cannot be insured due to forbearance or delinquency will not qualify for coverage under the Certified Loan Program.*

7.6 Non-Solicitation

From and after the related purchase date by Plaza, the Seller hereby agrees that it will not take any action or permit any action to be taken by any of its agents or affiliates, or by any independent contractors on its behalf, to personally, by telephone or mail, solicit the Borrower under any related mortgage loan for any purpose whatsoever, including but not limited to any pay-off requests or refinance of a Mortgage Loan, without the prior written consent of Plaza. It is understood

and agreed that all rights and benefits relating to the solicitation of any Borrowers and the rights, title and interest in and to the list of such Borrowers and data relating to the Loan shall be transferred to Plaza pursuant hereto on the related purchase date by Plaza. Notwithstanding the foregoing, it is understood and agreed that promotions undertaken by or on behalf of the Seller or any of its affiliates which are directed to the general public at large, including, without limitation, mass mailing based on commercially acquired mailing lists, newspaper, radio and television advertisements shall not constitute solicitation under this section.

7.7 Indemnification

Seller shall indemnify Plaza from all liabilities, obligations, losses, damages, penalties, fines, forfeitures, court costs and reasonable attorneys' fees, judgments, suits and any other costs, fees and expenses, directly or indirectly resulting from or arising out of (i) an Event of Default, (ii) any litigation or governmental proceeding that alleges any violation of local, state or federal law or an event which, if true, would be an Event of Default, by Seller or any other party in connection with the origination of a loan or the servicing of a loan prior to the sale of servicing to Plaza, (iii) any breach of a representation, warranty, or covenant made by Plaza in reliance upon any representation, warranty, or covenant made by Seller, or (iv) Plaza's enforcement of the Agreement, including this Seller Guide.

Seller must reimburse Plaza within 20 days of receiving Plaza's demand for indemnification. Except for notices of demand for indemnification, Plaza is not required to give Seller notice of any events that may trigger Seller's indemnification obligations. Seller and its counsel must cooperate with Plaza in connection with the defense of any litigation or governmental proceeding involving a loan. Seller has the right to control any litigation or governmental proceeding related to a loan, including choosing defense counsel and making settlement decisions, however Plaza will have to approve any settlements being made indirectly on its behalf.

7.8 Set Off

Upon any Event of Default Plaza may, without prior notice to Seller, set off and apply all or any amounts owed by Plaza to Seller, including the Purchase Price for any loan, against any repurchase, indemnification or other obligations owed by Seller to Plaza. Plaza will notify Seller within a reasonable time after any set off, provided, however that the failure of Plaza to give such notification shall not affect the validity of the set off.

7.9 Suspension Inactivation or Termination

Either party may terminate the Agreement and the Program Documents by giving the other party 5 days written notice. Provided that no Event of Default has occurred, the suspension, inactivation, or termination will not apply to any loans that have been registered with Plaza before the effective date of the suspension, inactivation, or termination.

Plaza may suspend, inactivate, or terminate the Agreement and the Program Documents and Seller's ability to sell loans to Plaza immediately if Plaza has cause to believe an Event of Default has occurred. Plaza may refuse to register or fund any or all loans after the effective date of the suspension, inactivation, or termination.

Inactivation, suspension, and termination does not affect Seller's obligations with respect to loans already sold or referred for underwriting and closing to Plaza.

Section 8 Plaza Exclusionary List

8.1 No Individuals or Businesses on the Exclusionary List and FHFA Suspended Counterparty Program

Individuals and businesses on the Plaza exclusionary list have played no role in the origination or sale of a loan to Plaza. Excluded individuals and businesses may include any party who deals directly or indirectly with Plaza who have a material influence on the mortgage origination, purchase, or servicing processes, including individuals in a management or supervisory position.

Parties involved in the Origination of Loans

No person or entity on the Plaza exclusionary list has played a role in the origination of the loan or in the underlying real estate transaction. Prohibited roles include, but are not limited to, borrowers, trustees on the deed, builders, developers, property sellers, loan officers, loan processors, underwriters, mortgage brokers, correspondents, mortgage service providers, appraisers, title insurers, real estate brokers and agents, closing or settlement agents, notaries and insurance agents.

Parties involved in the Sale of Loans to Plaza

No person or entity on the Plaza exclusionary list has played a role in the sale of a loan to Plaza or the referral of a loan to Plaza for underwriting. Prohibited roles in sales functions include, but are not limited to, parties involved in the delivery of loans to Plaza. This prohibition includes both the party's own employees and any third parties to whom sales functions are outsourced or assigned.

Confidentiality

Seller maintains the Plaza exclusionary list and information contained on the Plaza exclusionary list in a confidential manner. By accessing or using the Plaza exclusionary list, Seller agrees to indemnify Plaza for any loss, damage, or expense, including attorneys' fees, resulting from the Seller's failure to maintain the confidentiality of the Plaza exclusionary list or information contained on the Plaza exclusionary list. Seller uses the Plaza exclusionary list only in connection with its responsibilities as a Seller of Plaza.

GSA, LDP

Plaza is prohibiting government loans where any company or individuals who are material parties to the transaction are listed on HUD's "Limited Denial Participation" (LDP) list or the federal General Services Administration (GSA) excluded party list. If any of the names appear on either list, the loan is not eligible for purchase.

Freddie Mac Exclusionary List

Plaza is prohibiting conventional loans where any company or individuals who are material parties to the transaction are listed on FHFA Suspended Counterparty Program List, or the Freddie Mac Exclusionary List. If any of the names appear on either list, the loan is not eligible for purchase.

Section 9 Natural Disasters

9.1 Disaster Awareness

Plaza considers a Disaster any event that causes substantial damage. Disasters include but are not limited to:

- Hurricanes/Tropical Storms
- Earthquakes

This document is confidential, proprietary and its subject matter is the sole property of Plaza Home Mortgage, Inc. and is intended for its use only. Any unauthorized use, dissemination, or distribution of this document or its subject matter is strictly prohibited. Terms and conditions of programs and guidelines are subject to change at any time without notice. This is not a commitment to lend. Plaza Home Mortgage, Inc. is an Equal Housing Lender. © 2022 Plaza Home Mortgage, Inc. Plaza Home Mortgage and the Plaza Home Mortgage logo are registered trademarks of Plaza Home Mortgage, Inc. All other trademarks are the property of their respective owners. All rights reserved. Plaza NMLS 2113.

- Floods
- Landslides
- Tornadoes
- Wildfires
- Volcanic eruptions
- Nuclear accidents
- Terrorist attacks
- Thunderstorms

It is the Seller's sole responsibility to be aware of and act upon any mortgage loans impacted by disasters prior to the sale to Plaza. The Seller should contact the appropriate source e.g., state office, regional Federal Emergency Management Agency (FEMA) offices, news agency, etc. to determine whether properties located in its origination regions are included in the disaster areas.

Plaza's Disaster Policy applies to any of the following:

- FEMA declared disaster areas eligible for Individual Assistance.
- Areas identified by Plaza.
- Properties that the Seller has reason to believe sustained damage in a disaster.

Plaza does not have the responsibility to provide notification to the Seller of disaster areas. If at any time after loan purchase, Plaza or a subsequent investor, determines that the subject property was damaged and not in fully marketable condition at time of sale, the loan is subject to repurchase.

9.2 Disaster Policy Classifications

Standard Procedures

These areas are subject to the least restrictive requirements as they are:

- Impacted by the disaster, but the impact is not considered widespread throughout the area or zip code.
- Identified as having homes that may be damaged by wind or rain-related issues, some areas of flooding or environmental concerns.
- Identified to have no expected problems for the area and its local economy from a recovery perspective.

Expanded Procedures may be implemented for up to a year after a disaster.

These areas are subject to the most restrictive requirements as they are:

- Substantially impacted by the disaster.
- Determined to have, with respect to hurricanes, notable amounts of flooding and environmental concerns.
- Identified due to concern that the local economy will suffer to the point that the housing values and area employment may be impacted.

Generally, standard procedures should be followed unless otherwise notified.

Effective Date of Disaster Policy

The disaster area policy becomes effective as of the incident period for the disaster/event. FEMA publishes the incident period, along with the declaration date once the area is presidentially declared.

Counties eligible for individual assistance must follow the Standard Procedures of this Natural Disaster Policy.

9.3 Procedures and Required Inspections

Properties located in a Federally Declared disaster area are not eligible for purchase without an inspection or re-inspection confirming the property has not been adversely affected by the disaster. The property inspection should be performed by the original appraiser, whenever possible. If the original appraiser is not available, another licensed appraiser is acceptable. The individual who performs the inspection should review the original appraisal report and be able to certify that the personal inspection of the property and neighborhood revealed no indication of significant disaster related damages. The inspector must address the physical condition of the site and improvements as well as the impact of the damages to the property value and marketability. If the condition of the property is acceptable, Plaza will accept the value conclusion made prior to the disaster.

- Conventional loans with an appraisal: A property inspection or Disaster inspection with exterior photos is required and can be obtained from an appraiser or an acceptable inspection source, such as a nationally recognized field company or local professional licensed inspector.
- Conventional loans with appraisal waivers:
 - For a period of 90 days from the incident date, when either of the following returned appraisal waiver or non-standard appraisal findings, a full appraisal is required and damages must be sufficiently addressed prior to loan purchase:
 - DU is issued *after the* Disaster Incident Date, or
 - LPA is issued *before OR after* the Disaster Incident Date
 - When DU was issued *prior to* the disaster incident date and an appraisal waiver was returned, the waiver may be exercised, however a property or disaster inspection is required to be performed post-disaster and prior to loan purchase.
 - If the property was damaged and the damage does not affect the safety, soundness, or structural integrity of the property and the repair items are covered by insurance,
 - The loan may be purchased,
 - Must obtain documentation of the professional estimates of the repair costs, and
 - Ensure sufficient funds are available for the borrower's benefit to guarantee the completion of the repairs
 - If the damage is uninsured or affects the safety, soundness, or structural integrity of the property, the property must be repaired prior to purchase.
- FHA/USDA loans with full appraisal: inspection must include an Interior/Exterior inspection along with a statement whether the sustained damage is above or below \$5,000
 - If the damages are less than \$5,000 and the property is habitable, a reinspection showing damages were completed OR an escrow hold back for repairs must be established is required
 - If the damages are above \$5,000 and/or the property is not habitable, the repairs must be completed and the appraiser must state the property is habitable
- FHA Streamline or USDA Rural Refinance: An exterior inspection performed by an FHA approved appraisal or compliance inspector is required if the disaster occurs prior to closing or the disaster end date occurred
- VA non-IRRRL loans: Exterior Inspection performed by a VA-approved appraiser. In addition, Veteran to complete and sign Veteran Disaster Certification if the disaster occurred prior to the date of loan closing.
- VA IRRRL: Exterior inspection with photos performed by licensed appraiser or a professional licensed inspector required. In addition, Veteran to complete and sign Veteran Disaster Certification if the disaster occurred prior to the date of loan closing.

Unless otherwise noted above, if the re-inspection indicates damage, a 1004D/442 with photos is required prior to purchase showing the damage is cured.

Section 11 Flow Registration and Lock Commitments

11.1 Licensing

Plaza will not accept loans in states where Sellers are not properly licensed to conduct business. In the event that Plaza does not have a Seller's current license or exemption on record, Plaza can not accept loan registrations or locks. If any Seller license issues are under review, the Seller's loans will be placed in a pending status. To remove the loans from pending status the Seller must take the following steps:

- Seller must update all state licensing information by emailing state licensing and exemption information directly to Plaza at Correspondent.Approval@Plazahomemortgage.com.
- Once this information is received and the system has been updated to reflect the appropriate approval, the Seller must submit a new lock request to the Registration Desk at the prevailing loan rate. Rates effective on the original request date will not be honored.

11.2 Escrow Waivers

When the Seller elects to waive escrows for property tax and/or hazard insurance, wind, earthquake, flood, and HO-6 on a loan, certain restrictions and price adjustments will apply. To be eligible to waive the property tax and/or homeowner's insurance escrow, the loan must meet program eligibility guidelines and qualifications. Check the current rate sheet for state specific information and adjustments. Property tax exemptions will be subject to all applicable price adjustments for non-escrowed loans.

11.3 Locked Loan Changes

Refer to Plaza's [Mini-Correspondent](#) or [National Correspondent](#) Lock Policies for information regarding changes on locked loans.

11.3.1 Rate Lock Extensions

Refer to Plaza's [Mini-Correspondent](#) or [National Correspondent](#) Lock Policies for information regarding changes on rate lock extensions.

11.3.2 Rate Lock/Commitment Expirations

Refer to Plaza's **Mini-Correspondent** or **National Correspondent** Lock Policies for information regarding changes on rate lock expirations.

11.3.3 Intra-Day Pricing Changes

Due to the volatile nature of the secondary market pricing, Plaza's pricing is subject to change at any time and without notice. Plaza reserves the right to determine the standard used to establish the cutoff time for intra-day pricing changes.

Internet

When Plaza is re-pricing or preparing new rate sheets, website transactions will be disabled.

Phone

Sellers that are in the Plaza phone queue at the time of a re-price will typically be able to complete their registration, lock, or change requests as of the pricing in effect at the time they entered the phone queue. Sellers contacting the desk once re-pricing is in process will receive a message that Plaza is currently going through a rate change and will be asked to call back after the new prices are posted.

E-mail

All registrations, changes, and other time-sensitive requests will be honored if received by Plaza via email before the established rate change and are deemed complete. Pricing for loan registrations, changes or locks received after the price change has started will be subject to pricing as of the next available Rate sheet. Plaza does not allow lock request via fax.

11.3.4 Error Notification

Plaza will not be held responsible for incorrect registrations and/or loan lock errors. Errors, omissions, or mistakes that are reported to the Correspondent Registration/Lock Desk within 24 hours after the incident occurs will be considered on a case-by-case basis for correction without penalty. It is the Seller's responsibility to contact the Plaza Registration/Lock Desk to report registration or lock-in issues or missing lock-in requests within 24 hours of the initial request. Any correction of errors or supplemental information for omissions after the 24-hour period will require that the loan be re-priced based on prevailing rates.

Section 12 Commitment

12.1 Commitment Defined

A Rate Lock Commitment is an agreement whereby Seller commits to deliver a loan, as described in the Commitment Confirmation that is eligible for purchase under the terms of this Seller Guide. Seller must enter into a Commitment for each loan prior to delivering it to Plaza. Depending on approval authorization, Sellers may enter into a Flow Commitment under either a Best Efforts or a Mandatory Delivery Commitment.

12.2 Best Efforts Delivery Commitment

A Best Efforts Delivery Commitment is a lock for a specific borrower with a specific property. Once the loan closes, Seller is required to deliver the loan and it becomes a Mandatory Delivery Commitment. If the loan does not close, Seller is typically not assessed a Pair-off Fee.

Under a Best Efforts Delivery Commitment, Seller commits to the following:

- Best efforts will be made to close the loan as described in the Commitment.
- If closed the Seller will deliver the full credit and closing file in purchasable condition by the Delivery Expiration Date.
- Although there may be no penalty charged on an individual loan if it does not close, Plaza closely monitors pull-through ratios. Unacceptably low pull-through levels may impair Seller's ability to sell loans to Plaza or maintain normal business relationships.

12.3 Mandatory Delivery Commitment

Under a Mandatory Delivery Commitment, Seller commits to deliver a loan to Plaza that is eligible for purchase and that conforms to the terms described in the Commitment prior to the end of the commitment period. Plaza will charge a Pair-off Fee to Seller if the committed amount is not delivered by the specified date.

Prior to entering into a Mandatory Delivery Commitment, Seller must first be approved and set up for this delivery option and must be closing in their own name and utilizing an approved warehouse line or their own funds. The interest rate on a Mandatory Delivery Commitment can only vary plus or minus 0.25% from the initial locked interest rate. A Mandatory Delivery Commitment is ineligible to be re-locked as a Best Efforts Delivery Commitment. However, at Plaza's discretion, a loan that was previously committed under a Best Effort Delivery Commitment may be re-locked into a Mandatory Delivery Commitment provided that more than 30 days have lapsed since the initial lock expiration date. Once a loan is re-locked as a Mandatory Delivery Commitment, further extensions or changes in loan parameters are not permitted.

Plaza offers the following Mandatory Delivery Commitment options:

- Flow - one loan per Commitment
- Bulk

12.4 Additional Rules Applicable to Commitments

Each lien position of a property may have no more than one Commitment outstanding at any one time with Plaza.

- In the event that a duplicate lock is created, the loan will become subject to worse case pricing.
- Seller may not assign or transfer a Commitment, in whole or in part, without the prior express written consent of Plaza.

Note: The term Commitment is not to be confused with other agreements or terminology that may be in effect between Seller and Plaza, such as a master commitment or a forward commitment.

12.5 Commitment Confirmation

A Commitment Confirmation is Plaza's written communication to the Seller confirming that the Seller's Commitment request is accepted and outlining the additional terms and conditions applicable to Plaza's potential purchase of the loan.

This document is confidential, proprietary and its subject matter is the sole property of Plaza Home Mortgage, Inc. and is intended for its use only. Any unauthorized use, dissemination, or distribution of this document or its subject matter is strictly prohibited. Terms and conditions of programs and guidelines are subject to change at any time without notice. This is not a commitment to lend. Plaza Home Mortgage, Inc. is an Equal Housing Lender. © 2022 Plaza Home Mortgage, Inc. Plaza Home Mortgage and the Plaza Home Mortgage logo are registered trademarks of Plaza Home Mortgage, Inc. All other trademarks are the property of their respective owners. All rights reserved. Plaza NMLS 2113.

If Seller delivers an eligible loan within the Commitment Period, and the loan conforms to Plaza's Guidelines, the loan will be reviewed for potential purchase under the pricing and terms described in this Commitment Confirmation section.

After Seller has communicated a request to enter into a Commitment, the request is non-revocable by Seller. Once accepted or rejected, Plaza will communicate its response and, if applicable, the terms of the Commitment including the price and the Commitment Period. Plaza is not deemed to have accepted a request to enter into a Commitment until Plaza has sent its written Commitment Confirmation to Seller. Although Plaza will use commercially reasonable means to receive requests and send its responses for Commitments, Plaza is not responsible for any failures of Seller to deliver or receive any such communications, and Seller acknowledges that Plaza will act in reliance of a Commitment that it has been accepted even if Seller does not receive the Commitment Confirmation. Sellers that wish to mitigate the risk of market shifting should use time-sensitive means of communication rather than means without immediate feedback, such as fax.

Seller also acknowledges that if Plaza accepts a Commitment by voice, such as by telephone, the Commitment will remain subject to all terms and conditions shown in a subsequently delivered Commitment Confirmation.

Each Commitment Confirmation will provide Plaza's applicable Commitment number and/or Plaza loan number, which Seller must include in all future correspondence regarding such Commitment. Further, Seller acknowledges that prices in a Commitment Confirmation will be those applicable at the time Plaza acknowledges they received a completed/acceptable request for a Commitment, and that Plaza is not responsible for market changes or other re-pricing events that may have occurred between the time of Seller's request and Plaza's receipt. Plaza reserves the right to determine the standard used to ascertain the time such request is considered to be received.

The pricing provided on the Commitment Confirmation is subject to change. Changes, including but not limited to changes in loan characteristics, program eligibility, commitment terms and late fees will affect the final loan price. Plaza reserves the right to modify and/or revise its Commitment Confirmation should any of the information submitted in the final loan package differ from the information provided during the Pricing Functions service or if the loan does not meet Plaza's guidelines. A Commitment Confirmation does not constitute a loan decision/approval or a commitment to purchase a loan.

Section 13 **Withdrawing or Canceling Loans**

13.1 **Cancellation of Best Efforts Delivery Commitments**

Plaza monitors patterns to identify potential non-compliance with the Best Efforts Delivery Commitment policy. Plaza reserves the right to contact the applicant or use other available means in the event of a cancellation, to confirm the status of the loan. In the event a loan is closed and delivered for purchase, and is subsequently withdrawn or deemed un-purchasable, Plaza at its discretion will assess a pair-off or cancellation fee.

13.2 **Declined Loans**

In order to ensure Plaza's ability to comply with the HMDA and the ECOA, all loans underwritten by Plaza that result in the loan being declined will be declined regardless of lock expiration. The rate lock will be cancelled.

Resubmissions after the decline date will require a new registration and underwriting submission. The new loan will be subject to worse case pricing review if locked within 30 days after the previous rate lock was cancelled regardless of when the loan was actually declined.

13.3 Using Desktop Underwriter (DU) or Loan Prospector (LP) Feedback Reports

Conforming (Agency) Loans

Process loans according to the findings report and submit a complete package for underwriting. Some products require either DU Findings or an LP Feedback Certificate. Verify further details in the program guidelines.

Government

Loans underwritten by FHA TOTAL Scorecard that receive an Approve/Eligible or Accept may be processed according to the findings report. Loans receiving a “refer” recommendation should be underwritten to standard FHA underwriting requirements as per 4000.1. See the FHA Product Guidelines for more details.

Valid AUS

On loans approved through an AUS, Plaza requires at the time of purchase an active and valid final AUS.

13.4 Submitting Loans to Plaza

Ensure all of the following are complete prior to submitting loan to Plaza:

- Register loan with Plaza.
- If required, obtain AUS recommendation.
- Process the loan file according to the findings and Plaza’s Underwriting and Program Guidelines. For Delegated clients, the package must be complete before the loan is delivered to Plaza underwriting.
- All loans submitted to Plaza are first reviewed by the Loan Set-up Team to confirm file completeness. Loans missing documentation will be suspended. If file is still incomplete after 10 days from receipt, the file will be canceled.
- The loan decision will be updated and available on Plaza’s website showing any cleared conditions.

A purchase Advice will be generated by Plaza upon approval to purchase loan.

Loan File Submission Policy - Non-Delegated Underwriting

Plaza requires the correspondent to submit a single loan file to Plaza for review, evaluation and final underwriting decision. Plaza will issue the cleared to close, at which time the loan can be scheduled to close.

Suspended and Denied Loans

Loans that were locked and subsequently suspended or denied by Plaza will be cancelled after 10 business days.

Section 14 Government Loan Insurance and Transfer

14.1 FHA Up Front Mortgage Insurance Premium (UFMIP)

For delegated correspondents it is the Seller’s responsibility to remit the UFMIP to FHA within 10 days of closing. Plaza requires documented evidence of payment with the closing package delivered to Plaza. Files submitted for review without evidence the FHA UFMIP has been paid will result in a pre-purchase suspense condition.

This document is confidential, proprietary and its subject matter is the sole property of Plaza Home Mortgage, Inc. and is intended for its use only. Any unauthorized use, dissemination, or distribution of this document or its subject matter is strictly prohibited. Terms and conditions of programs and guidelines are subject to change at any time without notice. This is not a commitment to lend. Plaza Home Mortgage, Inc. is an Equal Housing Lender. © 2022 Plaza Home Mortgage, Inc. Plaza Home Mortgage and the Plaza Home Mortgage logo are registered trademarks of Plaza Home Mortgage, Inc. All other trademarks are the property of their respective owners. All rights reserved. Plaza NMLS 2113.

For non-delegated clients that do not have access to pay the UFMIP directly to FHA, Plaza has the ability to pay this on the client's behalf. If Plaza pays the MIP and any late fees to FHA this will be assessed at time of purchase.

- Reverse Mortgages (both delegated and non-delegated)
 - Plaza will remit Reverse Mortgage UFMIP directly to HUD.
 - Plaza will net the UFMIP amount from the wire upon purchase of the loan.

14.2 FHA Monthly Mortgage Insurance Premium (MIP)

On Government loans, the first premium due to HUD on the monthly MIP is due with the first loan payment. The Seller is responsible for payment of the monthly MIP, from the initial MIP payment through the month that Plaza purchases the loan. If the mortgage loan is purchased prior to the first payment due date, Plaza will be responsible for all monthly MIP payments on the mortgage loan.

Note: Any penalties or interest incurred as a result of non-payment, or untimely payment, of MIP prior to the first payment due from Plaza are the responsibility of the Seller.

Example 1

The mortgage lender, "Seller" closed the mortgage loan on February 1, with the first loan payment due on the Note on March 1. Plaza purchases the mortgage loan on March 20. Seller is responsible for the payment of the March MIP installment. Plaza will pay the April installment.

Example 2

15.26 ECOA Appraisal Delivery Requirements

Evidence of compliance with the ECOA appraisal delivery requirements is required.

15.27 Repair Escrow

Plaza will permit escrow accounts established by the Seller for postponed improvements provided they comply with Fannie Mae, Freddie Mac, FHA or VA, whichever is appropriate. For renovation loan programs, see “Renovation Loans” (below). Plaza does not hold or administer escrow holdbacks.

If the Seller establishes an escrow for completion of improvements or repairs, the Seller warrants that these improvements or repairs will be completed within the time period required by the agencies to allow for immediate loan delivery and in a skillful manner, regardless of any actions taken or not taken by the property seller, the borrower or any other party in the transaction. Breach of this warranty will require the Seller to repurchase the Loan.

It will be the Seller’s responsibility to monitor and disburse the funds in escrow and provide Plaza with a clear final inspection. The final inspection should be sent to **Plaza Servicing at:**

It is common to have a rate & term refinance with “new money”.
- FHA Loans: Refer to the HUD Mortgagee Letter 2008-26 for additional instructions.
- For CEMA refinances of a FHA loan, a new Note is required for the loan amount, regardless of whether there is new money, as well as an FHA CEMA.

Section 16 Taxes, Insurance and Survey Requirements

16.1 Escrows/Impounds

Establish Tax Due Date

Tax due date is determined by using the Discount Date or Economic Loss date provided by each taxing authority, which represent payment dates most beneficial to the borrower. The Seller is to provide Plaza with the next tax due dates for each loan submitted. A completed Tax Certificate is required in each file.

Delinquent Taxes

All delinquent taxes must be paid on or before the loan closing. Either a title binder showing these taxes as paid, or a paid receipt, must be included with the closing package.

Seller Responsible Period

Seller is responsible for all tax and insurance payments due within 30 days of the purchase date. If any payments are due within this period, evidence of payment will be required prior to purchase. Post purchase, any penalties or interest incurred for taxes past due will be billed to the Seller. If Plaza is required to pay taxes that are already past due, Seller will be responsible for any shortage amounts (this includes but is not limited to: base tax, penalties and interest charged by the taxing jurisdiction).

1. Request must be made within 15 days of purchase; and
2. Request must be made before the escrow analysis has been performed by Plaza's sub-servicer.

Escrows for New Construction to Permanent and Purchase Transactions

The Seller shall estimate the amount of escrow account items to be disbursed. In cases of new construction which has not been assessed at the time of closing, the seller may base an estimate on the assessment of comparable residential properties in the market area. The Seller must close the loan using the most accurate assessment of what the property taxes on the subject property will be once assessed by the local jurisdiction.

Initial Escrow/Impound Statement

- Initial escrow statements are required on all loans in which escrows/impounds are being held by the servicer.
- If loan has MI, monthly MI must be on Initial Escrow Account Disclosure and amount match MI cert.
- A 2 month cushion should be used in the initial escrow statement unless state regulations specify differently.

Refinance Transactions

If the insurance is due to expire within 30 days of purchase, a paid receipt for the next year's premium must be included in the loan file.

Minimum Property Insurance Types and Amounts

1-4 Unit Properties:

Type of Coverage

At a minimum, the Mortgaged Premises must be protected against loss or damage from fire and other perils covered within the scope of the standard extended coverage endorsement. Correspondent Funding will not accept hazard insurance policies that limit or exclude from coverage in whole or in part windstorm, hurricane, hail damage, civil commotion including riots, smoke, hail, and damages caused by aircraft, vehicle, or explosion. If any of these perils is excluded from the primary insurance policy, coverage of the excluded peril must be picked up through a secondary insurance policy.

Coverage Amount

The hazard insurance coverage must equal the lesser of the following:

- 100% of the insurable value of the improvements as established by the property insurer, **OR**
- The unpaid principal balance of the first mortgage and the second mortgage loan amount, as long as it equals the minimum amount - 80% of the insurable value of the improvements - required to compensate for damage or loss on a replacement cost basis.

Seller must ensure that the Mortgaged Premises will be adequately covered even when vacant, and where necessary, must obtain a vacancy permit endorsement.

Note: Properties located in mudslide zones or sinkhole areas may require additional coverage.

Deductible

The maximum allowable deductible for all property types is 5% of the face amount of the insurance policy, unless a higher maximum amount is allowed by state law. When a policy provides for a separate wind-loss deductible either in the policy itself or in a separate endorsement, that deductible must be no greater than 5% of the face amount of the policy.

Exception:

Rural Housing RHS/USDA requires the following unless a higher maximum amount is allowed by state law:

- The deductible does not exceed the greater of \$1,000 or 1 percent of the policy coverage, or the minimum deductible offered by the borrower's chosen insurance carrier.
- If the deductible exceeds the greater of \$1,000 or 1 percent of the policy coverage, the file must contain documentation that the insurance carrier does not offer lower deductible amounts.

Condominiums and PUDs

Type of Coverage

This insurance policy must provide, at a minimum, fire and all other hazards that are normally covered by the standard extended coverage endorsement and all other perils customarily covered for similar types of projects, including those covered by the standard "all risk" endorsement.

Condominium Requirements

The condominium association must maintain a master of blanket type of insurance policy, with premiums that are paid as a common expense. The policy must cover all general and limited common elements normally included, such as fixtures, building service equipment, and common personal property and supplies belonging to the homeowners' association. The policy also must cover fixtures, and other personal property inside individual units (e.g., stoves and refrigerators), whether or not the property is part of the common elements.

If the master or blanket policy does not provide interior unit coverage, replacement of improvements and betterment coverage to cover any improvements that the borrower may have made, the borrower must obtain an HO-6 Policy or "walls-in" coverage.

In addition, the hazard insurance policy should include the following provisions:

- Any Insurance Trust Agreement must be recognized.
- The right to subrogation against unit owners must be waived.
- The insurance must not be prejudiced by any acts or omissions of individual unit owners that are not under the control of the homeowners' association.
- The policy must be primary, even if unit owners have other insurance that covers the same loss.

PUD Requirements

The homeowners' association must maintain a property insurance policy, with premiums being paid as a common expense. The policy must cover all of the common elements except for those that are normally excluded from coverage, such as land, foundation, excavations, etc. Fixtures and building service equipment that are considered part of the common elements, as well as common personal property and supplies, should be covered.

Individual insurance policies are also required for each unit in the PUD project. If the project's legal documents allow for blanket insurance policies to cover both the individual units and the common elements, a blanket policy is acceptable in lieu of the insurance for the unit.

Impermissible Policies

The following are not permitted:

This document is confidential, proprietary and its subject matter is the sole property of Plaza Home Mortgage, Inc. and is intended for its use only. - A blanket policy that covers multiple unaffiliated condominium associations or projects (with the exception of Freddie Mac LPA eligible loans)
- Self-insurance arrangements whereby the homeowners' association is self insured or has banded together with other unaffiliated associations to self insure all of the general and limited common elements of the various associations.

Coverage

Insurance must cover 100% of the current replacement cost of the project improvements including the individual unit in a condominium project. Coverage does not need to include land, foundations, excavations or other items that are usually excluded from insurance coverage. An insurance policy that includes either of the following endorsements ensures full insurable value replacement coverage:

- A Guaranteed Replacement Cost Endorsement under which the insurer agrees to replace the insurable property regardless of the cost and, if the policy includes a coinsurance clause, an Agreed Amount Endorsement which waives the requirement for coinsurance. **OR**
- A Replacement Cost Endorsement under which the insurer agrees to pay up to 100% of the property's insurable replacement cost, but no more and, if the policy includes a coinsurance clause, an Agreed Amount Endorsement which waives the requirement for coinsurance.

Deductible

For policies covering the common elements in a PUD project and for blanket policies covering condominium projects, the maximum deductible amount must be no greater than 5% of the face amount of the policy.

For losses related to individual PUD units that are covered by the blanket policy for the project, the maximum deductible amount related to the individual unit should be not greater than 5% of the replacement cost of the unit. If however, the policy provides for a wind-loss deductible either in the policy itself or in a separate endorsement, that deductible must be no greater than 5% of the face amount of the policy.

For blanket insurance policies that cover both the individual units and the common elements, the maximum deductible amount related to the individual unit should be no greater than 5% of the replacement cost of the unit.

Special Endorsements

The following special endorsements are required:

- An Inflation Guard Endorsement, when it can be obtained.
- Building Ordinance or Law Endorsement, if the enforcement of any building, zoning, or land-use will result in loss or damage, increased cost of repairs or reconstruction, or additional demolition and removal costs. The endorsement must provide for contingent liability from the operation of building law, demolition costs and increased costs of reconstruction.
- A Steam Boiler and Machinery Coverage Endorsement, if the project has central heating or cooling. This coverage should provide for the insurer's minimum liability per accident to at least equal the lesser of \$2 million or the insurable value any buildings housing the boiler or machinery.

Name of Insured

The policy must show the homeowners' association as the named insured. The named insured should be substantially similar to the following:

- "Association of Owners of the [name of condominium or PUD] for use and benefit of the individual owners" [designated by name, if required].

Evidence of Insurance

Evidence of Mine Subsidence Insurance may be any the following:

- An original Hazard Insurance Policy that includes Mine Subsidence Insurance.
- If the loan is a refinance, the original or a photocopy of an existing Mine Subsidence Insurance Policy from the Pennsylvania Department of Environmental Protection and an Assignment of Interest Endorsement form.
- If the property is located in the Anthracite (hard coal) Region, an Assignment of Interest Endorsement form and a town map which has been marked with an X to show the location of the property.

Seller must ensure that there is no discrepancy between the flood hazard designation on the SFHD and the flood insurance policy if the flood insurance policy shows a lower risk zone than the SFHD, unless the discrepancy results from the application of the National Flood Insurance Program (NFIP)'s "Grandfather Rule." For information on the "Grandfather Rule" see Question #71 in the Q&A's issued by the federal banking regulators available at <http://www.federalreserve.gov/newsevents/press/bcreg/bcreg20090721a1.pdf>.

Federally Available Flood Insurance

Flood insurance is generally required if any building, dwelling, structure, or improvement is located within an SFHA that has mandated flood insurance purchase requirements under the NFIP. Plaza will not purchase loans secured by properties in a community that does not participate in NFIP.

Location of Property within the SFHA

Principal Structure Located Within an SFHA

Flood insurance is required if any part of the principal structure is located within an SFHA. Flood insurance on detached buildings, such as stand-alone garages, sheds, or greenhouses, located within an SFHA is required if they serve as part of the security for the loan.

Principal Structure Not Located Within an SFHA

If the principal structure on a property is not located within a SFHA, flood insurance generally is not required even if another detached structure on the property is located within the SFHA. However, if the detached structure is attached to the land and serves as part of the security for the loan, flood insurance is required for the detached structure and may be purchased through a separate policy on a general property insurance form, unless Seller determines that the principal structure represents sufficient security for the loan and releases the detached structure from the security. If buildings are "carved out" from the security, the property must be marketable in the event of foreclosure and the "carve out" must be permissible under local zoning rules.

Waivers

Plaza will waive flood insurance requirements if the borrower obtains a letter from FEMA stating that its maps have been amended so that the buildings securing the loan are no longer in an SFHA.

Notice of Special Flood Hazards and Availability of Federal Disaster Relief Assistance

If any part of the principal structure is located within a SFHA, the loan file must include the Notice of Special Flood Hazards and Availability of Federal Disaster Relief Assistance that was provided to a borrower in accordance with the Flood Disaster Protection Act. The loan file must contain evidence that the borrower received the Notice of Special Flood Hazards (NSFH) no later than 10 days prior to closing unless the loan file documents why it was not feasible to meet that time frame. The Notice of Special Flood Hazards (NSFH) must be provided prior to the day of closing.

Flood Insurance Coverage

Seller to ensure that the amount of flood insurance coverage meets at least the minimum coverage required by the NFIP and in accordance with applicable government agency guidelines.

Acceptable Policies

The flood insurance policy must be in the form of the standard policy issued under the NFIP. Policies that meet the NFIP requirements, such as those issued by licensed property and casualty insurance companies that are authorized to participate in the NFIP's "Write Your Own" program are acceptable.

Multiple Structures

If multiple buildings securing the loan are located in an SFHA in a participating community, the seller must determine the amount of insurance required on each building and add these amounts together to determine the minimum amount of flood coverage. Each building securing a loan must be covered by a separate policy. The amount of total required flood insurance can be allocated among the secured buildings in varying amounts, but all buildings in an SFHA must have some coverage.

Policy Term

The policy must be written for at least a 1-year term.

Policy Effective Date

The policy effective date must be on or before the date the loan is funded.

Evidence of Insurance

Acceptable evidence of flood insurance includes:

- Flood Insurance Policy
- Declarations Page **OR**
- Copy of the Flood Insurance Application with a paid receipt for the first year's premium.

Escrow Policy

If taxes, insurance premiums, or any other fees or charges are escrowed, then all premiums and fees for flood insurance under the National Flood Insurance Act of 1968 [42 U.S.C. 4001 et seq.] for the real estate shall be paid to the regulated lending institution or other servicer in a manner sufficient to make payments as due for the duration of the loan. Upon receipt of the premiums, the regulated lending institution or servicer is required to deposit the premiums into an escrow account on behalf of the borrower and pay the premiums upon receipt from insurance provider that the premiums are due.

Deductible

Unless a higher maximum amount is required by state law, the maximum deductible clause cannot exceed \$10,000.

PUDS

Coverage Amount for Individual PUD Unit

The coverage amount is the same as for other 1-4 unit properties.

Coverage Amount for PUD Project

The policy must cover any common elements buildings and any other common property located in an SFHA. The flood insurance coverage must equal the lesser of the following:

- 100% of the insurable value of the facilities. **OR**
- The maximum coverage available under the appropriate NFIP Program.

Deductible

- **Individual Unit** - The maximum deductible available from the NFIP currently \$10,000.
- **PUD Project** - The maximum deductible available from the NFIP currently \$25,000.

- The total number of units in the condominium building times \$250,000.

Contents Coverage

Contents coverage must equal the lesser of the following:

- 100% of the insurable value of all contents including machinery and equipment that are not part of the building, that are owned in common by the association members. **OR**
- The maximum amount of contents coverage sold by the NFIP for a condominium building.

Unit Owner's Coverage

The lender must verify that the HOA maintains a Residential Condominium Building Association Policy or equivalent private flood insurance coverage for the subject unit's building if it is located in an SFHA. The policy must cover all of the common elements and property (including machinery and equipment that are part of the building), as well as each of the individual units in the building.

If the condo project has no master flood insurance policy or if the master flood insurance policy does not meet the requirements above, mortgages securing units in that project are not eligible for delivery.

The only exception to this is on conforming conventional DU loans when the unit owner maintains an individual flood dwelling policy that meets the coverage requirements in this section for the following mortgages or project types:

- High LTV refinance loans (as defined by FNMA),
- Units in a two- to four-unit project, and
- Detached condo properites

Deductible

- **Individual Unit (if required)** - The maximum deductible available from the NFIP currently \$10,000.
- **Condominium Project** - The maximum deductible available from the NFIP currently \$25,000.

Properties Located in the Coastal Barrier Resources System or in an Otherwise Protected Area

Federal flood insurance may not be available for loans in the Coastal Barrier Resources System (CBRS) or Otherwise Protected Area (OPA), as defined by the Coastal Barrier Resources Act. Private flood insurance is acceptable for these loans.

16.7 Wind Storm Insurance

Windstorm coverage is generally included under the standard extended coverage policy through an endorsement. If the policy excludes or limits the windstorm coverage, it is not acceptable. The borrower must obtain a separate policy or endorsement from another commercial insurer that, with the existing policy, provides adequate total coverage.

The maximum deductible for windstorm coverage is the highest of:

- 5% of the face amount of the policy

- \$2,000
- The maximum allowed under state law.

16.8 Liability Insurance for PUDs and Condominiums

Type of Coverage

The homeowners' association must maintain a commercial general liability insurance policy for the entire project, including all common areas and elements, public ways, and any other areas that are under its supervision. The insurance must also cover commercial spaces that are owned by the homeowners' association, even if they are leased to others. The commercial general liability insurance policy must provide coverage for bodily injury and property damage that result from the operation, maintenance, or use of the project's common areas and elements.

The association must also maintain any additional coverage commonly required by private institutional mortgage investors for projects similar in construction, location, and use.

Coverage Amount

Liability coverage must be for at least \$1 million per occurrence for personal injury and/or property damage and the coverage must provide for claim settlements on an occurrence basis. This coverage is not required for limited project review condos or established, attached PUD projects.

Special Endorsements

The insurance policy must contain a "severability of interest" endorsement, precluding the insurer from denying the claim of a condominium unit owner because of negligent acts of the homeowners' association or other unit owners.

Cancellation/Modification Requirements

The policy must provide for at least 10 days' written notice to the homeowners' association before the insurer can cancel or substantially modify the policy. For condominium projects, similar notice also must be given to each holder of a first mortgage or share loan on an individual unit in the project.

16.9 Fidelity or Employee Dishonesty Insurance for Condominiums

Projects Requiring Fidelity Insurance

Fidelity insurance is required for condominium projects consisting of more than 20 units.

Minimum Property Insurance Types and Amounts

Type of Coverage

The homeowners' association must maintain a blanket fidelity or employee dishonesty insurance policy covering losses resulting from dishonest or fraudulent acts committed by the association's directors, managers, trustees, employees or volunteers responsible for handling funds belonging to or administered by the homeowners' association. The policy must provide coverage for anyone who either handles or is responsible for funds that the homeowners' association holds or administers, whether or not that individual receives compensation for services. A management agent that handles funds for the homeowners' association should be covered by its own fidelity insurance policy, which must provide the same coverage required of the homeowners' association.

Coverage Amount

Coverage must equal the maximum amount of funds held by the homeowners' association at any one time while the policy is in force. A lower coverage limit is acceptable if the project's legal documents require the homeowners' association and any management firm to adhere to certain financial controls. However, in such case, the coverage limit must at least equal the sum of 3 months of assessments on all units in the condominium project. The financial controls must include at least one of the following:

- The condominium homeowners' association or its management firm maintains separate accounts for the operating budget and the reserve fund. The depository institution in which funds are deposited sends copies of the monthly account statements directly to the association.
- Separate records and accounts are maintained for each condominium homeowners' association or other community association using the management firm's services. The management firm does not have the authority to draw checks on or to transfer funds from the reserve fund of the condominium owners' association.
- Two or more members of the board of directors must sign any checks drawn on the reserve account.

Name of Insured

The fidelity bond or insurance policy must name the homeowners' association as the insured, and premiums must be paid as a common expense by the association.

16.10 Mortgage Insurance

If primary mortgage insurance is required by the Loan Program, as stated in Plaza's Program Guidelines, Seller must obtain a mortgage insurance commitment certificate from an MI Company that is acceptable to Plaza. The primary mortgage insurance coverage must transfer to Seller and its successors and assigns and must protect the interest of Plaza. Mortgage insurance coverage must not be subject to exclusions beyond those stated in the mortgage insurer's master policy.

An escrow/impound account must be established at closing for monthly payment of future premiums, unless a single premium was paid in full at closing or unless Seller obtained lender-paid mortgage insurance.

- The following companies are approved to insure mortgages to be sold to Plaza:
 - Arch Mortgage Insurance Company (formerly CMG)
 - Essent Guaranty Inc.
 - Genworth Mortgage Insurance Corporation (GE)
 - Mortgage Guaranty Insurance Co. (MGIC)
 - National Mortgage Insurance Corporation (NMI)
 - Sellers utilizing National MI's delegated underwriting are responsible for delivering all required documentation to NMI after the loan has closed for NMI's Delegated Assurance Review.
 - Radian Guaranty, Inc.
 - United Guaranty Residential Insurance Corporation (UGI)

All MI policies must be active at the time of purchase by Plaza and next payment due to the MI Company must be verifiable.

Note: Refer to Plaza's Program Guidelines for specific MI requirements for each program type.

16.11 Single Premium Mortgage Insurance

Plaza accepts mortgage insurance premiums paid as a single premium. When financing the cost of the premium in the loan amount, the entire loan amount inclusive of premium is used to calculate the LTV ratio. The LTV cannot exceed the maximum LTV allowed for the Loan Program.

Lender Paid Mortgage Insurance (LPMI)

Lender paid mortgage insurance is eligible on Conforming Loan Programs only under the following circumstances:

- Single premium only
- No other LPMI options eligible

Mortgage Insurance Premiums

Plaza accepts mortgage insurance premiums scheduled to be paid on a monthly or annual basis.

The Seller is responsible for:

- Making the first payment to the MI Company, for annual premiums due.
- The payment of all monthly premiums due the MI Company, for all monthly loan payments collected by the seller.

Seller must provide Plaza with the MI next payment due date. Any penalties or interest incurred as a result of non-payment or non-timely payments of MI are the responsibility of the Seller.

Mortgage Insurance Coverage Requirements

As defined in Plaza's Program Guidelines or additional coverage if required by the approved MI company.

Mortgage Insurance Requirements for Properties Located in New York

To ensure compliance with New York Insurance Law, use a LTV calculation based solely on the appraised value of the property to determine the MI requirement for loans secured by properties in the state of New York. If that LTV is $\leq 80\%$, the loan will not require mortgage insurance regardless of the LTV calculated using the sales price.

- To determine when MI is required on any loan transaction, calculate the LTV by dividing the loan amount by the appraised value, regardless of whether the sales price is higher or lower.
- If MI is required, the standard LTV calculation of loan amount divided by the lesser of the appraised value or sales price must be used to determine the required percentage of coverage on purchase transactions.

Examples of MI Calculations for New York Properties

For all transactions and property types, determine whether MI is required by dividing the loan amount by the appraised value. If the LTV is greater than 80%, MI is required.

Example: The following LTV calculations are for the purpose of determining whether MI is required on New York loans.

Sales Price	Appraised Value	Loan Amount	LTV by Sales Price	LTV by Appraised Value	MI Required	Rationale
\$100,000.00	\$110,000.00	\$85,000.00	85%	77.27%	No	The LTV based on the appraised value is 80% or less. The LTV based on the sales price, although greater than 80%, is not a consideration.
\$110,000.00	\$100,000.00	\$85,000.00	77.27%	85%	Yes	The LTV based on the appraised value is greater than 80%. The LTV based on the sales price, although less than 80% is not a consideration.

Notice Regarding PMI

Notices required under the Homeowner's Protection Act (PMI Cancellation Act) are required, as applicable, for both Lender Paid MI and Borrower Paid MI:

- **For Borrower Paid MI** - The disclosure must contain the two dates informing the borrower when they can cancel their mortgage insurance. If loan is a balloon or an ARM, a disclosure is required but the dates are not required to be on the form.
- **For Lender Paid MI** - Disclosure is required at time of loan commitment.

16.12 Title Insurance

Loans purchased by Plaza must be covered by a mortgagee title insurance policy or other approved form of title evidence, which has been paid in full, is valid and binding, and remains in full force and effect. Title insurance must comply with the following requirements:

- The amount of coverage must be equal to the face value of the mortgage. Loans with either scheduled negative amortization, or the potential for it, require coverage that equals the original mortgage amount of the loan plus the maximum amount of potential negative amortization as stated in the Note and/or rider. If an equivalent endorsement is obtained, it must provide protection in an amount sufficient to cover the mortgage amount, plus the maximum amount of negative amortization that is permitted in the Note and/or rider.
- All title Commitments and/or policies must be issued by an approved American Land Title Association (ALTA) insurance company. Prior to any loan disbursement, a marked-up title binder for an ALTA title policy, indicating Plaza's proposed lien position is required. If proof of satisfaction/release is a condition for eliminating any liens on the title, copies of these documents must be retained with the title work.
- All judgments and liens must be paid off, subordinated, or insured over.
- Real estate taxes must reflect, "Not yet due and payable." On condominiums and PUD, taxes can only be assessable against the subject unit and its undivided interest in the common areas and not the project as a whole.

Title Exceptions and Impediments

Title Exceptions

The title to the Mortgaged Premises must be good, marketable, and free and clear of all encumbrances and prior liens. Plaza will not purchase a loan secured by property that has an unacceptable title impediment, including unpaid real estate taxes and survey exceptions.

Minor Impediments to Title

Title for a property is acceptable even though it may be subject to the following conditions, which Plaza considers minor impediments:

- Customary public utility subsurface easements, the location of which are fixed and can be verified, providing that the exercise of rights of easement will not interfere with the use and enjoyment of any present improvements on the Mortgaged Premises or proposed improvements upon which the appraisal or loan is based.
- Above-Surface public utility easements that extend along one or more property lines for distribution purposes or along the rear property line for drainage, as long as they do not extend more than 12 feet from the property lines and do not interfere with any of the buildings or improvements or with the use of the Mortgaged Premises itself.

- Any encroachment on an easement for public utilities by a garage or any other improvement, except those improvements that are attached to, or are a portion of the main dwelling structure, provided this encroachment does not interfere with the use of the easement or exercise of rights or repair and maintenance.
- Cost, minimum dwelling size, use, building materials or setback restrictions as long as its violation will not result in the forfeiture or reversion of the title or lien of any kind for damages, or have an adverse affect on the fair market value of the Mortgaged Premises.
- Mutual easement agreements that establish joint driveways or Party Walls constructed on the Mortgaged Premises and on an adjoining property, as long as all future owners have unlimited and unrestricted use of them.
- Encroachments of 1 foot or less on adjoining property by eaves or other overhanging projections or by driveways, as long as there is at least a 10 foot clearance between the buildings on the Mortgaged Premises and the property affected by the encroachments.
- Encroachments on the Mortgaged Premises by improvements on adjoining property where these encroachments:
 - Extend 1 foot or less over the property line of the Mortgaged Premises. **AND**
 - Have a total area of 50 square feet or less. **AND**
 - Do not touch any buildings. **AND**
 - Do not interfere with the use of any improvements on the Mortgaged Premises or the use of the Mortgaged Premises not occupied by improvements.
- Encroachments on adjoining properties by hedges or removable fences.
- Outstanding oil, water, or mineral rights customarily waived by other lenders are acceptable, as long as they will not result in damage to the Mortgaged Premises or impair its use for residential purposes.
- Liens for real estate or ad valorem taxes and assessments not yet due and payable.

Title Defect - Unexpired Redemption Periods

Certain state laws provide a “redemption period” after a foreclosure or tax sale has occurred. During the redemption period, the property may be reclaimed by the prior mortgagor or other party upon payment of all amounts owed. The length of the redemption period varies by state and does not expire automatically upon sale of the property to a new owner.

Properties with unexpired redemption periods have unacceptable title defects. The purchase of additional insurance, a redemption bond or similar coverage during the redemption period does not remedy the title defect and the loan is ineligible for delivery to Plaza.

Title Exception Warranties

Loans with minor impediments to title other than those listed in the Title Exceptions section of this Seller Guide may be eligible for purchase by Plaza. Seller warrants to Plaza, however, that these impediments do not adversely affect the value, use, enjoyment, or marketability of the Mortgaged Premises. Seller agrees to indemnify Plaza if Plaza incurs a loss that can be attributed to the impediment(s).

To support the warranty stated above, Plaza reserves the right, upon request, to receive from Seller:

- A statement from the appraiser, explaining the effect of the title exception on value, marketability, use and enjoyment of the Mortgaged Premises.
- Any additional documentation or information Plaza deems necessary.

Plat of Survey or Improvement Survey

Seller must submit a plat of survey or improvement survey with the final loan documents it sends to Plaza. In areas where surveys are not customary, the title insurance policy must ensure against loss or damage by any violation, variation, encroachment, or adverse circumstance that an accurate survey would have disclosed. Note that a survey is not required for condominium units.

The survey must be based on the results of an instrument survey performed, dated and certified by a licensed civil engineer or registered surveyor. The survey must have been performed, dated, and certified within 1 year from the date of issuance of the title insurance policy insuring a particular Mortgaged Premises. A survey more than 1 year old will be accepted, provided the survey has been recertified by a licensed civil engineer or a registered surveyor within the past year. The survey must be certified to Seller and the company furnishing the title insurance policy.

The survey must present the following information:

- The location by courses and distances of the plot covered by the Security Instrument. The relation of the point of beginning of the plot to the monument from which it is fixed. All easements adjacent to the plot, any established building line, the street or streets abutting the plot and the width.
- Any encroachments and the extent of any encroachments in terms of feet and inches upon the plot or any easement appurtenant to the plot.
- All structures and improvements on the plot with horizontal lengths on all sides and the relation of the structure and improvements by distances to all boundary lines of the plot, easements, established building lines and street lines.

If the plot is described as being on a filed map, the survey must contain a legend relating the plot to the map on which it is shown. The survey must disclose and provide assurance that the improvements erected lie wholly within the boundaries of the plot and that no part of the improvements encroach upon or overhang an easement or right of way or upon the land of other sections, unless an affirmative title policy endorsement is obtained.

The survey must also provide proof that the improvements are wholly within the established building restriction lines and that no adjoining structure encroaches upon the plot or upon any dominant easement appurtenant to the plot.

Variations in Length of Property Lines

Variations between the property lines' length as shown on the appraisal and on the survey are acceptable as long as:

- The variance does not interfere with the current use of any of the improvements on the Mortgaged Premises.
- The variance in the length of the front line is not deficient by more than 2%, and the variance in length of any other line is not deficient by more than 5%.

Plaza may choose to purchase loans with variations other than those stated above. In these cases, Seller must warrant that these variations will not adversely affect the value, use, enjoyment, and marketability of the Mortgaged Premises.

Section 17 Power of Attorney

17.1 Power of Attorney on Behalf of the Borrower

Plaza will permit the use of a Power of Attorney (POA) to designate an attorney-in-fact/ agent to execute closing documents for individual borrowers in certain instances when a borrower is unable to execute closing documents.

The Power of Attorney

- Must be specific to the transaction, meaning the POA document must identify the transaction and property (however, for soldiers on active duty, a standard military POA may be used instead of a POA that is specific to the transaction).

Borrower(s) names must match exactly the title commitment vesting section.

- The POA must be signed and dated prior to the Date of the Note.
- Be signed and dated by the party granting the power of attorney.
- Be signed by an appropriate "witness" (if required by state law).
- Be in effect on the date of the closing transaction.
- Be notarized
- Recorded prior to closing or in correct sequence at time of recordation of all closing documents.
- No older than 6 months from the date of closing.
- Signed, dated and notarized on or prior to closing.
- Insured by the title company without exception to the POA.
- The attorney-in-fact must be a co-borrower on the loan or a disinterested third party. For example, the attorney-in-fact cannot be a realtor, loan officer, employee of the company, a party to the transaction, or a title company employee.
- POA may not be used when title is taken in the name of a trust.
- A POA may not be utilized in a Cash-Out Refinance Transaction. **Exception: Military personnel, using a Military POA, deployed abroad where permitted by the applicable financing program. Proof must be submitted verifying deployment abroad.
- POA for borrower in conservatorship is not allowed.
- POA may not be used in combination with a Texas Section 50(a)(6) mortgage loan
- The initial 1003 must be signed by the borrower(s) or for active military borrower only, follow VA guidelines.
- If multiple borrowers exist on the loan, at least one borrower must sign the closing documents. All borrowers cannot be represented by an attorney-in-fact on the same loan.
- Meet all state specific requirements.

17.2 Reverse Mortgage POA

Refer to program guidelines in the [Reverse Mortgage User Guide](#).

Closing documents may be executed via a Power of Attorney (POA) provided the following conditions are met:

- A separate POA is prepared and executed for each borrower not attending the closing.
 - POA is specific or special to the transaction, is executed and notarized on or before date of closing and recorded or will be recorded with closing instruments before mortgage or deed of trust.
 - The original or certified copy of a POA must be included in the closing package.
 - The attorney-in-fact must execute all closing documents at settlement.
 - All POA signers must sign as follows:
Example: John Smith as attorney in fact for Jane Smith

- A POA may be used to make application for a VA loan.
- It must appear that the veteran intends to occupy the property upon his/her return from overseas service, or upon his/her termination from the Armed Forces.
 - An immediate family member must occupy the property during the veterans’ absence.
 - A statement of intent to occupy the subject property as the veteran’s primary residence must be included.
 - The POA must include the following information:
 - The specific property address of the subject property.
